Meeting Agenda

living soils Regenerative systems, Boost biodiversity on farm

Date and Time

29 October 2026
8:30 am - 12:30 pm

Location

Burroughs Family Farms
22323 E Monte Vista Ave,
Snelling, CA 95369

Speakers List:

- Kevin Reyes
- Andrew Carroll
- Benina Montes
- Sarah Rosenberg
- Deedee Soto
- Jenae McCarthy
- NRCS Field Staff
- Donald R Thomas

Agenda	Presenter	Start Time	Duration
Welcome and Introductions • Opening remarks • Brief introductions of each attendee	Kevin Reyes	8:30 am 8:45 am	15 Minutes
Regenerative Ag Systems: Irrigation & Soil Management • Explore practical strategies for irrigation optimization, water savings, and PLFA on grazing systems, including real-world challenges and success for every regenerative farm..	Andrew Carroll & Benina Montes	8:45 am 9:25 am	40 Minutes
Regenerative Ag principles and research • Regenerative Agriculture Advisor Dr. Sara Rosenberg helps farmers boost soil health, water conservation, and climate resilience though Regenerative agriculture principles and research.	Sara Rosenberg	9:25 am 10:05 am	40 Minutes
Break & Networking • Connect, exchange ideas, Build relationship	break	10:05 am 10:20 am	15 Minutes
NRCS Funding Overview • NRCS field staff explain regenerative systems, stacked conservation practices, available funding programs, and simplified application processes for farmers	NRCS Field Staff	10:20 am 10:40 am	20 Minutes
Conservation Hedgerows and Biodiversity • Conservation strategies for invertebrates, focusing on pollinator protection and biodiversity support for healthy ecosystems.	Deedee Soto & Jenae McCarthy	10:40 am 11:20 am	40 Minutes
Break & Networking • Connect, exchange ideas, Build relationships drive to barn!	Break	11:20 am 11:40 am	20 Minutes
Soil Health Demonstration • Donald is not only a farmer but a dedicated soil enthusiast. His experience and knowledge of healthy soil is very broad. Demonstration in water infiltration and the use of the rainfall simulator will not only explain what healthy soil can do but allows you to see with your own eyes.	Donald R Thomas	11:40 am 12:20 am	40 Minutes
Wrap up, Thank you! Lunch will be provided!	Kevin Reyes	12:30 pm
