# Lindcove Research & Extension Center Citrus Fruit Display & Tasting

## Date

December 9,  
2017

## Time

9:00 AM- Noon

## Location

Education Building at  
22963 Carson Avenue,  
Exeter. The Education  
Building is located at  
the end of Carson Ave  
on the right.

Join us for this wonderful event where you can see and taste more than 100 citrus varieties that are grown at Lindcove.

Citrus enthusiasts can have their citrus horticulture and pest management questions answered at the Master Gardener booth as well as from UC Extension personnel.

**Directions:** From Visalia take Highway 198 east to Mehrten Drive (Approximately 15 miles) and follow the signs to our event.

Everyone loves Citrus!  
Join Us!

If you have questions  
please contact  
Jasmin Del Toro  
(559) 592-2408 ext 1151  
or [jjzdeltoro@ucanr.edu](mailto:jjzdeltoro@ucanr.edu)

## Lindcove Research & Extension Center

Scientists from around the State conduct research to:

- Develop and evaluate new citrus varieties
- Improve citrus production
- Protect citrus from pests and plant diseases

Results from their research are shared with growers, homeowners, teachers, and students to bring agriculture to life!
