## Stories from the Field

The 2016 Equine Field Day took place on February 20, 2016. This year we had over 200 youth and adults in attendance! The field day took place in Fresno, California at the Fresno State University Farm. Youth and adults were able to watch professional clinicians give presentations on a variety of equine related topics.

This year's schedule offered three concurrent educational sessions for each of the five 45 minute timeslots. Professional speakers included Dr. Alyx DeBenedetto who led a clinic on equine chiropractic, Lyndee Stairs who led a clinic on barrel racing, Rick Kelley who led clinics on

showmanship and western pleasure, Francesca Baron who led clinics on horse training and groundwork, Susan Henderson-Perry who led clinics on horse judging and equine nutrition, Dr. Mariya Pitel who led a clinic on equine acupuncture, Sarah Schneider Bellach who led a clinic on jumping, and Lynn Warren who led clinics on hippology and horse bowl. By attending these educational sessions youth and adults were able to expand their knowledge of various equine related topics.

At this year's event all of the attendees were entered into a door prize drawing and the door prizes were awarded following the conclusion of the educational sessions. Prizes included horse brushes, buckets, feed vouchers, saddle pads, western décor, and a double saddle rack, which were generously donated by Tractor Supply, Riverside Horse Advisory Committee, the Wilson Family, and Associated Feed. Overall, the event was a lot of fun and was enjoyed by both 4-H youth members and adults alike. Thank you to the Equine Planning Team for all of your hard work and dedication, and thank you to everyone who attended the event! I hope to see everyone at the State 4-H Horse Classic in August, 2016!

4-H is not a club, it is a family.

## Ambassador Corner

Happy April!

Here are some updates from the State Ambassador team,

Last month, 4-H Ambassador Ashley and a group of 4-H members got the opportunity to attend national spokesperson of 4-H Jennifer Nettles concert at the Fox Theater in Oakland. Along with the concert, the group got to have a meet and greet session with the singer and also take pictures. During the concert, she gave a special shout out to 4-H and the group reported back that they had a great time!

The 2016-2017 State Ambassador interviews took place on March 19th and we are excited to see the leadership that these candidates will bring in the next upcoming 4-H year.

Preparations are underway for this year's California Focus conference! The team is putting together educational workshops on Informed Decision making, Advocacy, Activism and how to use your voice to effect positive change. Join us in our State's Capitol! Register to attend California Focus June 17th to the 21<sup>st</sup>. For more information and to register visit [http://4h.ucanr.edu/4-H\\_Events/CF/](http://4h.ucanr.edu/4-H_Events/CF/). ## Support Your Local 4-H Youth!

If you happen to walk into a Tractor Supply Company store in mid-April and you see huge displays of paper clovers hanging from ceilings and windows, be on the lookout for smiling 4-H'ers at the front of the store or at the registers encouraging you to donate and join in on the fun!

Last fall, California raised the third highest amount of donations in the nation. We had four stores in the top ten including the stores in Turlock, Yuba City, Riverside and Sonora. Overall, in our state we raised an incredible \$36,000 from generous donors like you. Thank you to all of the participating Tractor Supply Stores and to all of our partners who bought a Clover!

Chatom 4-H Club leader Angel Toste is very appreciative of Tractor Supply Company and her local community that supports the campaign. She says,

*"It is a great partnership. It also gives my children the opportunity to promote 4-H and talk about their projects, reinforcing what they have learned, improving confidence and public speaking skills. I feel that people are more likely to donate when they can hear about how the money helps 4-H youth and see who the money is going to. I also think it is important for the 4-H kids to directly thank the people donating."*

Locally, when you buy a Paper Clover, your donation directly helps your community's 4-H youth by supporting countywide events such as Presentation Day and Small Animal Field Day. You also help support the recognition of hard-working 4-H youth through helping to provide funding for scholarships, awards and pins. Your support also helps send kids to 4-H summer camp.

## Special Opportunity to see Government and 4-H Youth in Action

The California 4-H Foundation is pleased to provide additional support to the 2016 California Focus youth conference to reduce this year's conference fees so more youth can participate.

Participants make new friends from across California while they experience California's government in action by participating in the legislative, political, and judicial processes. California Focus combines hands-on involvement in workshops, debates, simulations, tours, and fun activities. This year's conference will take place June 17-21 in Sacramento at the Holiday Inn Capital Plaza.

The special focus for this year's program is #TrueLeaders and developing a California Youth Action Platform. Our goal is to have 4-H youth from ALL of our counties represented at California Focus this year.

There will also be a special alumni networking opportunity hosted by the California 4-H Foundation for 4-H alumni to meet our current Cal Focus students and to catch up with old friends.

This July at the California State Fair, all 4-H members are invited to take part in the 4-H ThrowDown. The event is divided by age and themes. Each team will consist of three youth members who will be given 15 minutes to prep and then an hour to cook a three course meal. A panel of judges will taste all prepared courses and award a winner.

## Healthy Living Continued

Save the date for the Mindfulness Retreat! Participants will increase their personal skills in leading a healthy lifestyle, and also gain skills needed to be a health advocate in their community. The retreat will address topics such as understanding mindfulness, exercise, stress management, community connection, relationship building, nutrition, and health advocacy! Designed for teens ages 13-19 and adults. For more information, see <http://4h.ucanr.edu/Projects/HealthyLiving/Mindfulness/>

## Military Program

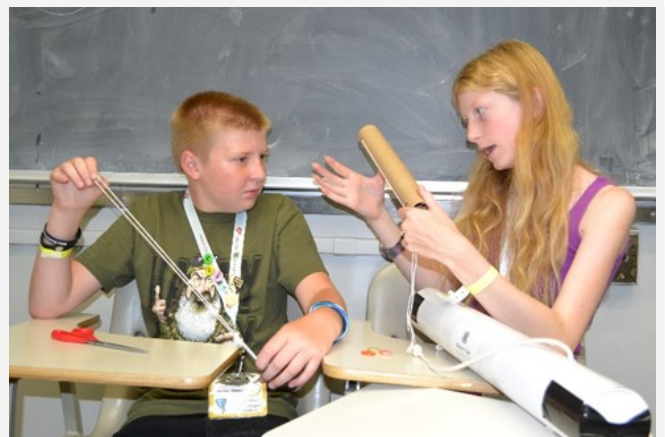

According to campers and parents, the overwhelming benefits of attending camp are the **Connections and Relationships** they build with others.

Frequently, 4-H members will invite their friends to accompany them to camp. If there is a military installation in your county, invite a military youth to experience 4-H camp.

## Evaluation

Are you interested in knowing how youth and families feel about 4-H after their first year in 4-H? Participate in the Youth Retention Study! Advisors, CE Specialists, and Academic Coordinators across the state (and in Idaho too!) are conducting a study to understand how we can keep youth coming back to 4-H, and we need your help! Encourage first-year youth and families to complete a short survey about their experience in 4-H. A survey link will be sent from the State Office in starting in late May 2016. We can also provide PDF copies of the survey for you to take to club or project meetings to ask first-year youth and families to complete. Then just send the surveys back to the State Office for data entry and analysis! Results will be shared with you in early Fall 2016 so you can see what helps bring youth to 4-H, and keeps them coming back! Please contact JoLynn Miller, 4-H Youth Development Advisor, Central Sierra Multicounty Partnership ([jlmliller@ucanr.edu](mailto:jlmliller@ucanr.edu)) or Kendra Lewis, Academic Coordinator for Evaluation ([kmlewis@ucanr.edu](mailto:kmlewis@ucanr.edu)) for any questions and copies of the survey.
