TULARE COUNTY COOPERATIVE EXTENSION AND THE 4-H PROGRAM WELCOME ROCHELLE MEDEROS!

Rochelle Mederos is the new Tulare County 4-H Youth Development Program Representative. Rochelle spent her first week working with Leah and attending 4-H Camp!

Rochelle grew up in Fresno County working on the family vineyard and trucking operation. Upon graduating from San Joaquin Memorial High School, she attended Cal Poly, San Luis Obispo and majored in Agribusiness Finance and Appraisal with a Water Science minor. The following year, she decided to return to Cal Poly, San Luis Obispo to obtain her teaching credential and Master of Science degree in Agriculture.

Rochelle has spent the past fifteen years as a teacher in Fresno, Kings, and Tulare counties. Her husband, Mike, is a native of Tulare. They have been married for twelve years and have two children, Michaela (11 years) and Tanner (8 years). Michaela has been an active Oakdale 4-H member, earning both her bronze and silver stars, the past two years.

Rochelle is looking forward to making a positive difference in the lives of 4-H members and working with the many volunteers that make the 4-H program possible.

Please help us to welcome Rochelle to the Cooperative Extension and make her feel like part of the 4-H family!

NEWS ADVISORY

Outside Creek Elementary School Planning Committee 150-Year Celebration Event

Contact: Tricia Stever Blattler, volunteer 559-799-4867 cell Email: Tricia.Blattler@yahoo.com

Oldest Public School in Tulare County Celebrates 150 Years this October

The oldest public school in Tulare County, that still operates today as an independent school in its own public school district, grades K-8, is Outside Creek Elementary School located in rural Tulare County just south of Farmersville, and just west of Exeter at the intersection of Farmersville Blvd. (Rd. 164) and Ave 264.

The school was founded during the Civil War and opened their doors on October 10, 1864 to serve the rural population of children in the school’s immediate vicinity. Today the historic school remains a fixture in the small single-school district that serves approximately 125 students a year in a nurturing, hands-on, small school environment where students flourish with individualized attention and opportunities for learning and experiencing education at its finest.

A planning committee has started efforts to host a reunion event for the 150-year celebration, and it will be held on Saturday, October 11, 2014 at the present day school campus. An opening ceremony with dignitaries is being planned, along with a BBQ luncheon, and time to reminisce, share photos and history about the school, and meet alumni and faculty past and present.

Donations and sponsors are also needed to help fund the reunion and planning efforts. Please contact the committee if you would like to support the reunion fund.

The planning committee needs the help of local press to help locate alumni from the school. We have a very small mailing list at present time, and would like to invite the newspapers to share the story of this amazing little school with its readers and invite Outside Creek School alums, their families, neighbors, friends, and generations of those who attended this school to send their contact info to the event planning committee.

You may send alumni contacts to Derrick Bravo, the school’s director and principal, at dbravo@outsidecreek.org or mail your address to the school: Outside Creek School, Event Reunion Planning Committee, 26452 Road 164, Visalia, CA 93292 or call the school’s secretary at (559) 747-0710 to share your name and info.

Save the date cards will be mailed to all alumni who provide an address in late July, and a reunion invitation will be mailed in August.

An Outside Creek Swamptrats and Eagles alumni Facebook page also provides an event site for alums to share and visit, please join the page at: https://www.facebook.com/groups/1924523641792216/. You may also private message your contact address thru the Facebook page to event planners.

School director, Derrick Bravo commented, “It is an exciting event to help support and plan, with alumni coming together from over six different decades to help host the celebration, we are very excited to see this little school recognized for 150 years of educational excellence. We hope everyone will join us on October 11, 2014 for this celebration, and support us in contacting alumni and their friends and family to attend.”
