Dear 4-H Community,

What does “member in good standing” mean to you as a 4-H member? What about “project completion”? These and other terms are common in 4-H but there are different requirements across clubs and counties. To help make the 4-H experience fair for every member regardless of which club or county they participate in, the 4-H Policy Advisory Committee which includes 4-H members, adult volunteers, and 4-H YDP staff, undertook the task of not only defining these terms but also documenting the Steps to Success in 4-H.

This document outlines:

- What member in good standing means,
- What is required for project completion,
- How members earn a year stripe and pin,
- Club participation standards,
- Requirements to exhibit at fair,
- Participation in 4-H events,
- And, ways to earn recognition in 4-H.

As a statewide program delivered locally, we set out to standardize some key aspects of the program while allowing some flexibility at the local level. For example, six hours of project instruction is required but project leaders may require more based on the project and goals. Please review this document for more information so you know the steps to your success in 4-H.

The new Steps to Success in 4-H and associated policy changes are effective July 1. We hope you find the Steps to Success in 4-H help make your 4-H experience the best it can be.

Warmly,

Did you Know?
A Member in Good Standing completes the enrollment process, is enrolled in at least one project and complies with the 4-H Member Code of Conduct (new 4-H policy effective, July 1, 2015)

**TULARE COUNTY 4-H RUBY STAR**

**DEADLINE EXTENDED! APPLICATIONS DUE: MAY 18, 2015**

The Ruby Star, is for older members who have achieved the rank of Emerald Star and/or All Star and wish to complete a leadership plan on a county level or above.

High school and older aged members are encouraged to work in a more independent environment. Older members that have developed skills can share with younger members. Teens are seen working on projects more independently, developing leadership plans and carrying out those plans, providing information and resources to others in the program. At this level, there must be overall guidelines, general direction, and assistance, but highly independent and individualized plans and programs. The plan of proposed leadership should be offered on a county, sub-sectional, sectional or state level.

The Ruby Star Program focuses on planning and evaluation skills, carrying out assignments, and working on a countywide or broader basis. Although some past Emerald Star projects have been broad enough in scope for a Ruby Star project, Ruby Star projects should generally be on a level above and beyond the type of leadership plans used for Emerald Star projects.

**APPLICANT REQUIREMENTS:** Applicants must have achieved the Emerald Star or All Star Rank. Applicants may work individually or in a team of 2, but individual projects are highly recommended. Team partners must be working on the same star rank. (No mixed Emerald/Ruby Star projects.) For information, go to: http://cetulare.ucanr.edu/files/158906.pdf Due to 4-H office by May 18, 2015.

**WHAT’S AN ALL STAR?**

The All Star program is a source of leadership development. The best and brightest 4-Hers are selected to represent the county. These members have excelled in their own projects, have served their county program in other ways, and have been deemed worthy to represent their fellow 4-Hers. The All Star rank recognizes members’ leadership abilities, but it is also a working honor. Besides their regular projects and activities, All Stars are required to assist with county events, develop a plan of action, and perform service projects. This esteemed position keeps older members involved. All of these factors add up to a unique leadership experience special to the 4-H Youth Development Program.

To apply to become an All Star, you must meet the following criteria:

1. At the time of application, members must be a minimum of a freshman in High School. Year of service will be their sophomore year or above.
2. Must be eligible for or has earned the Gold Star Rank.
3. Has completed one year of iThrive Leadership Development Project in either a previous year or current year.
4. Has been a member of 4-H for 3 years inclusive.
5. Currently is enrolled in 4-H.
6. Copy of previous years record book.
7. Must submit: All Star Application Form, Three (3) statements of recommendation sent directly to the County Cooperative Extension Office by application deadline from: teacher, counselor or other youth development professional; and from 4-H leader in applicant’s club.

Applicants will be notified of interview dates & times. Go to: http://ucanr.edu/sites/4-H_Tulare/files/207697.pdf

**APPLICATIONS DUE: MAY 18, 2015**

**Start Planning Your Emerald Star Project!**

Do you have, or will you have your gold star at the end of the 2014-2015 program year? Are you in the 8th grade or above? If so, the Emerald Star Project may be for you. An Emerald Star Project is a great opportunity to explore and grow your leadership, civic or community service skill and goals!

The purpose of the Emerald Star Project is to provide Leadership, civic and community service opportunities to 4-H members and teach them how to work with a mentor, one of the Incentive and Recognition Committee members assigned to oversee their project.

The Emerald Star project must demonstrate the member’s leadership ability, and the ability to work with others as well as the ability to plan and conduct a successful program of work. The Emerald Star applicant will be interviewed by a panel and present his/her plan to them at this time. The panel will evaluate the applicant on their plan, application, personality, and answers to questions. If the applicant is accepted at this interview, he/she will be observed throughout the six-month period of the plan and self-evaluation.

At the end of this period, the selection panel will meet again to decide which members have successfully completed the above. These members will then be named EMERALD STARS! There is no quota of Emerald Stars to be selected.

Emerald Star applications are due May 15, 2015 (extended deadline) for June – October activities. Applications can be picked up at the UCCE 4-H Office or found on our website at: http://cetulare.ucanr.edu/files/31447.pdf

Spark Score Surveys are open! Surveys open May 1st and close July 31st!

Ever wonder why we ask you to take surveys once or twice a year? It’s so that we can make statements like these and share with everyone the thing that 4-H does for you, and what you do for our communities!

You are constantly growing and changing, and you may not answer questions the same from one point in time to the next. By doing the surveys once or twice a year, we can see how youth in 4-H are developing and changing. These surveys are our way to find out about you and how the California 4-H Youth Development Program is doing overall! Thank you to everyone who has completed their surveys so far. A list of previous survey winners can be found here.
