Happy New Year to all of our Amador County 4-H Families!

The New Year has rung and 2016 is here! I like many of you look forward to the what the New Year might bring. The New Year brings many changes for the 4-H program as well. The state office is moving the State and Sectional Councils over to the Volunteer Management Board system. Locally we have a new county-wide Gardening project being led by one of our new volunteers, Wendy Reagan. Ms. Reagan will be bringing her expertise as both an avid gardener and as a UCCE Master Gardener to lead the project. Like our program the fair is also seeing some changes for the New Year. Our own 4-H volunteer Julia Burns will be helping revamp and reinvigorate the Junior Department and building! The New Year has many good things in store. ~Amador 4-H Representative Vera M. Allen

Presentation Day

This year's Presentation Day is January 30th * Ione Jr. High * 450 S Mill Street. * Ione

Don't forget to send/call in your entry by the January 15th deadline.

Registration begins at 8:30 and Presentations start at 9 am.

WHAT EXACTLY IS PRESENTATION DAY?

4-H presentations are a special sharing time when members show the skills they've acquired to others.

Presentation Day gives 4-H members the opportunity to show others what they have learned in their current 4-H projects.

WHAT IS A PRESENTATION?

It is a planned demonstration or illustrated talk which explains or illustrates by using examples. To demonstrate is to teach by showing –learning by doing! Show someone how to tie his shoes, or his 4-H tie!

Demonstrating is teaching in the clearest and simplest method known. When members are enrolled in 4-H they have a desire to learn. In giving presentations, they share with others their acquired knowledge.

Boys and girls like to "tell others". This is natural. They should be encouraged to start by giving a simple presentation and, as they develop, they can do more difficult presentations.

WHY GIVE A PRESENTATION?

Presentations help 4-H members:

- ***do and learn – learn and do.***
- ***develop an ability to speak before a group.***
- ***share acquired knowledge and skill.***
- ***develop creativity.***
- ***gain experience in teamwork.***
- ***gain self-confidence, leadership and initiative.***
- ***gain personal recognition.***
- ***have a more interesting and active 4-H project***

Every club and project group should devote time to presentations.

Presentations by 4-H members should be a vital part of every 4-H club program. A desirable goal for

each 4-H club is to have every member give at least one presentation during the year.

4-H MEMBERS - PLEASE REMEMBER THAT YOU ARE REQUIRED TO DO A DEMONSTRATION OR PRESENTATION AT PRESENTATION DAY IN ORDER TO EARN YOUR BRONZE, SILVER, GOLD OR PLATINUM STAR. THIS EVENT WILL HELP YOU TO BE ABLE TO COMPLETE THIS GOAL

4-H Introduces NEW Uniform Guidelines

Based on an extensive process that included a 4-H member design contest and voting input from 4-H members and adults, the California 4-H Youth Development Program has adopted new 4-H uniform guidelines. Implementation of these guidelines will begin July 1, 2015 and is expected to take several years for full adoption. See the California 4-H Uniform Guidelines and California 4-H Uniform FAQ for complete garment details and the transition plan to the new uniform guidelines.

General Guidelines:

The uniform is made up of the following garments:

Official green 4-H hat branded with the University of California, Agriculture and Natural Resources (UC ANR) and the 4-H clover logo mark. These can be purchased through Leslie Carman 4-H Supplies as of August 31, 2015. (See below for contact information.) More details about the 4-H Hat.

A plain white shirt with a collar. Any length of sleeve, including sleeveless is acceptable. Alternate Casual Uniform: For casual events, members may wear their club or county t-shirt, without the hat, provided that t-shirt has the proper use of the 4-H emblem according to the California 4-H Branding Toolkit.

Members have a choice of bottoms, appropriate to the event or activity, as specified in the California 4-H Dress Guidelines. Amador County allows dark blue colored jeans to be worn. Most judges still prefer white jeans for showing.

OPTIONAL: A traditional 4-H tie or scarf worn with the collared white shirt. The tie and scarf are both worn under the collar. Any member can wear either the scarf or the tie--whatever the member is most comfortable wearing. These can be purchased through Leslie Carman 4-H Supplies.

The 4-H uniform guidelines follow the protocols in the California 4-H Dress Guidelines that apply to all 4-H members.

A uniform is not required for participation in any 4-H sponsored activity, event, meeting or occasion. Although members are not required to wear a uniform in the 4-H program, many members feel a sense of belonging when wearing the uniform.

Fairs do not fall under the jurisdiction of the 4-H program and may require their own clothing for showing. Check with your local fair for specific details. The CDFA Fairs and Exposition Rule Book and the 4-H Youth Development Organization do not mandate a uniform or attire for judging.

Purchasing 4-H Attire 4-H hat, scarf and tie may be purchased from:

American Rabbit Breeders Association National Convention

Five Amador County 4-Hers recently showed their rabbits at the American Rabbit Breeders Association National Convention held at the Expo Center in Portland Oregon Oct 31-Nov 4.

The girls were able to attend and compete thanks to the help of several local businesses and community members who donated to help cover the expenses. The girls want to thank everyone for their help and are excited to report that they did very well. There were over 14,000 animals entered. Some from as far away as Japan and Australia.

Six and seven year old Kaya and Jacie Bell of Fiddletown 4-H showed their Thrianta rabbits. They earned a second place with their senior buck, third place senior doe, second and fourth places with their junior does.

18 year old Katherine Stiltz also from Fiddletown 4-H showed Mini Rex and Jersey wooly. She earned a best of variety with her chinchilla mini Rex, a 4th place shaded sr doe and best opposite sex of group self-jersey wooly with her blue eyed white Jr doe.

15 year old Karson White of Willow Springs 4-H showed New Zealand's and had the second place intermediate buck and doe along with the second place Jr buck.

10 year old Kory White also from Willow Springs 4-H showed Holland Lop and Dutch and had the largest showing with 18 rabbits entered. Many of her animals placed very well with Kory earning three best of varieties in Dutch along with best opposite sex of breed Dutch with her chocolate buck .
