Back Country Horse Camp
JULY 25 - 30, 2014

Back Country Youth 4-H Horse Camp
Youth will learn how to horse camp in the wilderness with minimal or no impact on the land using “Gentle Use and Leave No Trace” camping skills. Lessons will include basic horsemanship, highlining, knots, basics of packing on stock, and will spend one night packing further into the wilderness with pack stock. Enjoy trail riding, fishing, games, swimming, and exploring the Sierra around their base camp. Mark your calendars now, and save the dates! Call Cathy at (916) 358-6179, or email: catforestandrews@gmail.com for further information. Enrollment is limited to 25 youth; horse leaders may also participate; openings currently for camp nurse/EMT and certified life guards!

Did you know that a turtle has 2 tracheas and 4 stomachs. Our reptile project met at Scalees Reptile Store on Feb 4th. Our group made our own reptile anatomy charts on a snake, a lizard and a turtle. We learned that snakes have elongated body parts. Learning reptile Anatomy was a lot of fun.
Management Board & Program Development Board

Last spring, members of the 4-H Futures Task Force examined ideas for what would help us improve and grow our 4-H program in El Dorado County. Our new 4-H administrative structure is a product of acknowledging and addressing these needs as well as incorporating program and management functions we have in place.

The El Dorado County 4-H Program structure is built on the following:

- We want and need new volunteers in the 4-H Youth Development Program, and we believe individuals will choose to volunteer if opportunity matches their interests.
- Volunteers have both responsibility and authority to serve in leading the 4-H organization and program.
- Leadership positions are clearly defined with a specified duration.
- Leaders are not elected, but rather apply and are selected for their roles.
- Everyone—adults and older youth, current member or new—are invited to apply.
- Youth and adults on our new committees will have the opportunity to build skills (and resumes), meet new people, attend conferences, and contribute to building the finest El Dorado Co. 4-H program ever.

There are many volunteer roles from which to choose—from youth leadership to science programming, fund development to marketing, camping & clubs. Volunteer descriptions and applications are available. Email Tracy at tbcelio@ucanr.edu

Diamond Clover Awarded to Council President William Winter

El Dorado County 4-H’s very own All Star and Council President, William Winter has earned the California Diamond Clover! A Diamond Clover is the highest achievement for which a 4-H youth member is recognized. All youth members who achieve the requirements are eligible to receive this award. Awardees receive the California Diamond Clover Pin and a recognition letter from the Associate Director!

William is a graduating senior at Union Mine HS and will be heading to engineering school in the fall. Thank you William for making our county shine!

Help wanted GIS/GPS Project Leader

El Dorado County received a grant from the state 4-H office for GIS/GPS. The youth completed an amazing project where they photographed downtown Placerville historic buildings and with hand held units took weigh points then put their data into an online map! The final product was amazing! This project was youth driven and our 4-H teen will be graduating out of the program this year. We need to keep the momentum!

Do you have skill (or know someone who does) with GPS or willingness to learn it? We have support from this grant and support from community experts.

If you are interested in leading a project for the 2014/2015 program year contact the 4-H office now for details. Email Tracy at tbcelio@ucanr.edu

Home Arts Day (HAD) is El Dorado County 4-H’s annual event highlighting non-livestock projects. The Favorite Foods event and Fashion Revue are included in the day’s activities, in addition to the arts and crafts, cake decorating, gardening, food preservation, fiber arts, woodworking and photography exhibits. Regular 4-H members will receive ribbons and/or medals. Primary Members (kindergarten through third grade or under nine years as of January 1st; home schooled children are age based only) will have separate divisions in each competition category and will receive participation ribbons.

Online Registration and all Project Entry Forms must be completed and turned in by April 9, 2014. Mail, E-mail (pdf or jpg file), or hand deliver your project entry form(s) to the El Dorado County 4-H Office, 311 Fair Lane Placerville, CA 95667 or email to njstarr@ucanr.edu. Beginning with the 2008/2009 4H year this event is no longer mandatory for entry to the County Fair, however we encourage all members to participate as practice for fair and as a fun event to show your project.

The awards given at HAD will greatly benefit the record book and achieving star rankings. All 4-H members are eligible to enter an “Open Table Setting” exhibit, the “Fashion Review: Purchased and Upcycled” category contest, and the State Fashion Revue Challenge – Apron & Denim Challenge. You do not have to be enrolled in the specific project areas to enter these categories.

Volunteer for The Herd
Emerald Star Project

A FUN 4-H Awareness Campaign that will launch at Round Up until the County Fair 2014!

Let’s create a “buzz” in the community about youth development & provide information on youth activities at the fair! Local businesses will be “herded” by 4-H starting at Round Up all the way to fair time! Project signs will be appearing around town. You can help by painting signs, helping move “the Herd” or being part of a 4-H flash mob at a community event!

It is that time again to start thinking about the Silent Auction and the Cake Auction at Round Up. These two activities at Round Up are the largest and most important fundraisers for the El Dorado County 4-H Program. The money raised on this day, May 10th goes directly to the County 4-H Council. They help to offset the cost of facility rentals, events, activities, and scholarships for camp, youth conferences and graduating seniors.

**Silent Auction** - we need donations!
We are asking members to secure donations (include a donation donor form and a donation description form) and turn them into the 4-H office, Monday-Friday 8am to 5pm on or before May 5th. These two forms can be found along with a donor introduction letter on our website see [http://ucanr.edu/sites/EDC_4-H_Program/Round_Up_Chiil_Cook-off/](http://ucanr.edu/sites/EDC_4-H_Program/Round_Up_Chiil_Cook-off/). We will also need a few adults and several youth volunteers to help make things move smoothly so please start thinking about volunteering during Round Up. There will be more information to come in the next newsletter and on our website.

**Cake Auction** – Calling all 4-Hers! We are asking each club and their members to a make homemade dessert to be auctioned off. Cakes, cupcakes, cheesecakes, cookies, brownies, etc. big dessert or small dessert – all wanted. We are holding a contest for members with certificates & prizes awarded, so have fun and be creative with the dessert donation. There will be more information to come in the next newsletter and on our website (same website as above) soon.

Thank you in advance for your help!

The 2014 Horse Symposium was extremely informational and fun. The new horse proficiency tests were available to take. There was a horse themed art contest as well. We also had presentations on bits, packing horses and no trace camping, driving horses, and drill team. The Back Country Horseman talked to us about how to prepare your horse, how to carry your supplies, knots, and no trace camping. There was also a presentation about driving, and how to teach you horse to drive as well as the breeds used for driving. Lastly, the Drill Team did a practice routine to music. For lunch, the 4H Horse groups had pizza for sale. It was a very informative event.

4-H Farm Opportunities with American River Conservancy

The American River Conservancy (ARC) purchased the 272-acre Wakamatsu Colony Farm in 2010. Since then, they have been moving towards the creation of a working farm and educational resource for local schools, youth programs and the public. ARC envisions a unique partnership with the El Dorado County 4-H Program that may be able to accomplish our mutual goals of community service, youth education and preserving the County’s agricultural history.

Project ideas might include:
- Goats for targeted grazing/weed management, milk production and more, an alpaca or llama protector
- Poultry production (meat birds)
- Other livestock (sheep, cattle, swine)
- Mulberry orchard with silkworm raising
- Demonstration green tea crop
- Rice farming
- A history project (Japanese history, early CA agricultural history, CA Indians)
- Native plant and/or orchard tree nursery
- Sustainable/no-spray community garden for donation of fruits and veggies to the community (food bank, etc.)

Recruiting project leaders now for 2014/15 4-H year. Call the 4-H office 530-621-5503 with questions or ideas. We invite you to think outside the box in creating something truly amazing!

Presentation Day 2014

Big Thank you to Mary Jordan from Southside Topnotch for putting on a stellar Presentation Day! 4-H members did a fantastic job at preparing, presenting and assisting throughout the event! We had 34 Gold Winners who will have the option of continuing on to the next level and eventually state! We also had a fun day of science and learning about GIS/GPS from Latrobe Outlander & All Star, Jacob Gray! We learned about mapping and community planning!

4-H Uniform Contest

If you’ve always complained about the uniform, now is your chance to have a voice in changing it! In response to 4-H members’ and volunteers’ input and desire to explore options for a new uniform, the State 4-H Incentives and Recognition Advisory Committee is facilitating the process to adopt a new uniform. It is important to all that the new uniform maintains 4-H tradition but is an updated, comfortable, and easy uniform for today’s youth. The new uniform should make 4-Hers recognizable. The new uniform must continue to allow 4-Hers to exhibit their recognition pins and emblems. The uniform must meet the needs of certain projects. For instance, certain animal projects require boots, long pants, and/or long sleeves. Uniforms should also be affordable for all members. The policy on 4-H attire will remain the same and states that, “There is no uniform requirement in the 4-H YDP and a uniform cannot be required for participation in any 4-H YDP sponsored activity, event, meeting or occasion. 4-H YDP staff will inform other sponsoring organizations that the 4-H YDP does not require uniforms.”

Proposals are due April 18th, 9pm.

Positive Youth Development Study
By: Shannon Horrillo

Compared to their peers, 4-H'ers are nearly four times more likely to contribute to their communities. This is one of several powerful statistics included in a new report -- The Positive Development of Youth: Comprehensive Findings from the 4-H Study of Positive Youth Development.

For more than a decade, preeminent youth development scholars, Drs. Richard M. Lerner and Jacqueline V. Lerner and the team at the Institute for Applied Research in Youth Development at Tufts University, partnered with faculty at more than 20 land-grant universities and colleges to conduct this ground-breaking research.

This scientific research shows that the 4-H approach to high-quality positive youth development works. After 10-plus years of rigorous research and review, we now have a way to evaluate and show the effectiveness of the programs that are being implemented in every county in America and communities around the world.

I am pleased and extremely proud to share this final report with the 4-H community. It's an extraordinary body of research that shows the vital role 4-H plays in helping young people achieve success.

It is a tribute to you and all that you do for young people around the world.

The report can be found at the following link: http://www.4-h.org/about/youth-development-research/positive-youth-development-study/
