**Volunteer Retreat Scheduled for September 6th, 2014**

Calling ALL 4-H Volunteers! Mark your calendar today. We’re hosting our 1st annual Fall Volunteer Retreat! Join us for this day long event and learn about working with youth of mixed ages, ages and stages of youth development, games and activities to strengthen your meetings and much more. Space is limited so sign up now to reserve your spot! Retreat is free and expect to come away READY for the 2014/15 project year with new tools, excitement and energy! Reserve your space now by calling the 4-H office at: (530) 621-5503

**Now Recruiting for New Project Leaders in 2014**

To make our clubs more successful next year, we need more projects. Would you consider becoming a project leader? There is curriculum in the 4-H office for project leaders! Project leaders don’t have to be members parents either. Maybe you have a friend or neighbor who has a skill, talk to them and have them talk with the 4-H desk! A 4-H project meets a minimum of 6 hours, usually once a month between September and May. Contact Tracy at the 4-H office if you would like more information: (530) 621-5507 or tbcelio@ucanr.edu

**Project ideas:**
- Gardening
- Food Preservation
- Marine Science
- Water Education
- Pollinator's
- Robotics
- Babysitters Training
- Woodworking
- Hiking
- Geology
- Outdoor cooking
- Sewing
- And so many more!

**Fundraising efforts at Round Up**
Net $3,700.00
GREAT JOB!
Hi All,
Fair is upon us again. Please remember we are having a full vet check for all animals entering fair. Haul in times are posted in the entry guide for each species. http://www.eldoradocountyfair.org/entry.html

All market animals must be in place Tuesday 6/10 by 8:00 PM.

The VET met with the fair staff and has asked that we forward some important information regarding check-in. It is strongly recommended that all animals be clipped/sheered prior to check-in.

No Communicable diseases: 
IE. Ringworm, cloudy snotty nose, weeping sores, broken limbs, prolapse, NO LICE or MITES.

Let’s have a great fair!

---

Livestock Advisory Committee Fair Update By: Darla Edwards

Hello 4Hers!
This invitation is for all members aged 14 or older who are interested in being shift managers for the Chuckwagon this year. This is a great way to earn money for camp, SLC, horse camp, and other 4H activities. Teen managers earn $50 credit for taking orders, running the register, making sure customers are served in a courteous and timely manner, maintaining a safe and productive work environment, and supervising the clubs that are working during your shifts.

To become a teen supervisor, you will need to attend training, Saturday 6/7. The teens who have already been working on the planning for the Chuckwagon will have their first choice of shifts, others will be able to select theirs at the training sessions. Please select shifts that won’t conflict with your auction or show schedule. We will have a better idea of how many shifts we can offer you when we see how many members respond to this offer.

The fair expects us to leave the Chuckwagon as clean as we found it, so this means that in order to pay you for your shifts, you will also need to participate in the final clean up of the Chuckwagon. Most of this will take place the final night of the fair. If you can’t stay on Sunday, you can come back to help on the follow-up cleanup date, most likely on Saturday the 21st. We hope to see you there! Please contact us with any questions.

Linda Mason (916) 337-0840 lmmason@cal.net
Melissa Montesanti (530) 672-9074 melissamontesanti@comcast.net

I understand that I will be expected to participate in the final cleaning of the Chuckwagon in order to be paid for my manager shift.

El Dorado County Fair 2014
Livestock Awards

A Menagerie of Fun

Sunday, June 15th, 2014
Main Stage at 4:00pm

Hosted By El Dorado County Youth Officers
The 4-H All-Stars and FFA Officers
(Uniform required for reserved seating!)

Chuckwagon Teens Needed during fair

4-H is a community of young people across America who are learning citizenship, leadership and life skills
El Dorado 4-H County Club Council to present four 4-H Memorial Scholarships.

Today, 4-H is the largest youth organization in the world. Founded in 1904 to educate rural farm youth, today's 4-H reaches youth from all walks of life. 4-H helps youth to develop their interests and abilities to their fullest through project work, club work, special activities and events. Although proud of its beginnings as corn and tomato clubs, 4-H has evolved over the years to teach about computers, recycling, photography, teamwork and many other topics relevant to successful youth.

Nick Boring has been in 4-H for 10 years, and is passionately dedicated to the Nigerian Dwarf Goat Project. Receiving many awards for goat confirmation. His family also has a very successful breeding program. Nick is very adamant about teaching aspect of 4H. Always stepping up to help and volunteer to be teen leaders.

PJ Repetto has been in 4-H for 9 years. He has been active in the beef project for many years and this year is helping his sister with her steer. PJ has been to an abundance of leadership conferences and in many cases has helped run, plan and lead them.

Devan Martin has been in 4-H for 9 years, and her favorite projects are horse, poultry and market lamb. She has been an All Star for many years, and has held many teen leader positions. Devan even began our own County Leadership Conference that was held in Tahoe.

William Winter has been in 4-H for 6 years. A Grand Champion winner three years in a row with rabbits, anyone can tell the level of dedication. William has achieved his Diamond Clover Award, and has been a State Recordbook winner.

Please help me in wishing these students luck on their future endeavors.

4-H is a community of young people across America who are learning citizenship, leadership and life skills.
Shannon J. will attend Northwest University in Wyoming. She plans to study Equine Business and Shannon gets to bring her horse to college.

Austin plans to pursue a career as a Firefighter/EMT; ideally Austin will stay and work in El Dorado County!

Tommy M. will be attending Humboldt State Univ. and studying Wildlife Biology.

Alix S. is heading for college and will major in business.

More graduating seniors to congratulate: Christopher L., Alexandra L., Matthew E., Alyssa M., Kalen J., Colton M., Tyler P., Faith R., Soren S., Colby S., Samuel S., Derek S., and Acacia W.

Justice R. is going to Feather River College to study Agriculture Business & Psychology.

Jacob G. has secured a summer internship at a Design/Robotics Company. Then plans to pursue a degree in the computer field, or CAD design.

Union Mine Seniors Nick B. is the valedictorian of his high school and is headed to Cal Poly to pursue studies in engineering. P.J. R. is also attending Cal Poly in the fall and will be majoring in Agricultural Communications.

William W. will major in engineering at Purdue University in Indiana.

Tommy W. is graduating from El Dorado High School. He will be attending the University of Montana and will be studying Wild Life Biology.

Adrianna N. will be attending Colorado State Univ. pursuing degrees in Biomedical and Veterinary Sciences. She hopes to become a large animal and avian vet.

Kayla B. will be heading to basic training with the United States Air Force.

More Grads to congratulate: Karen B., Boone B., Derek D., Morgan D., & Kandee F.
In October 2013, 4-H County Council voted to adopt recommendations made by the Futures Task Force to restructure administrative management of our county 4-H program. This new administrative structure is a product of acknowledging and addressing needs as well as incorporating program and management functions we already have in place.

This new county structure for managing the 4-H program has recently been implemented in order to:

- Extend the benefits of 4-H to more youth.
- Increase program delivery excellence.
- Create new volunteer opportunities with specific focus. (Each committee chair position has a job description and term of appointment so you will know exactly what your job entails and when your commitment ends.)
- Provide an application and selection process with equal access for all.
- Empower youth adult partnerships invested where their greatest interest lies.
- Better utilize our resources.

There are many volunteer roles from which to choose—from youth leadership to fund development to marketing, camping to clubs.

Jobs descriptions and applications are available at: http://ucanr.edu/sites/EDC_4-H_Program/Management_-_Program_Development_Boards/

Youth and adults who are interested in a position are encouraged to apply by July 1, 2014.

Positions are opened until filled.

If you have questions, please contact Tracy at the 4-H office (530) 621-5507 or tbcelio@ucanr.edu

4-H Management Board (manages 4-H business):

The Management Board key functions are:

- **Visioning and planning** for growth and insuring high quality and consistency.
- **Fiscal accountability** - budgeting, financial oversight, stewardship of community investment.
- **Resource development** - people, partners, funds.

4-H Program Board (Is the heart of what we do):

The Program Development Team key functions are:

- **Insure quality programs** so that youth will experience the same opportunities.
- **Offer a wide range of programs** to meet diverse needs of youth.
- **Strategize** on ways to make 4-H happen for more youth.
- **Focus on outcomes** for youth and adult volunteers within the 4-H Program.

How will your club be affected? The management of clubs will not change at all. What you will see is stronger support for your club. The new boards will provide; new member education and recruitment, volunteer recruitment and training, teen leadership opportunities, support for youth and adult volunteers, scholarship's, service learning opportunities, 4-H in school classrooms, building of an alumni network and much, much more.

In August 2014 board members will present a concrete plan and direction for where we want to see 4-H in 5-10 years and beyond. We will vote on re-writing by-laws. New bylaw templates will be on line for review by July 19th.

Please take a look and come be part of the conversation.
**REGISTER NOW!**

4-H is a community of young people across America who are learning citizenship, leadership and life skills

---
The American River Conservancy (ARC) purchased the 272-acre Wakamatsu Colony Farm in 2010. Since then, they have been moving towards the creation of a working farm and educational resource for local schools, youth programs and the public. ARC envisions a unique partnership with the El Dorado County 4-H Program that may be able to accomplish our mutual goals of community service, youth education and preserving the County’s agricultural history.

Project ideas might include:
- Goats for targeted grazing/weed management, milk production and more, an alpaca or llama protector
- Poultry production (meat birds)
- Other livestock (sheep, cattle, swine)
- Mulberry orchard with silkworm raising
- Demonstration green tea crop
- Rice farming
- A history project (Japanese history, early CA agricultural history, CA Indians)
- Native plant and/or orchard tree nursery
- Sustainable/no-spray community garden for donation of fruits and veggies to the community (food bank, etc.)

Recruiting project leaders now for 2014/15 4-H year. Call the 4-H office 530-621-5503 with questions or ideas. We invite you to think outside the box in creating something truly amazing!

4-H hiking project photos taken on property!

Back Country Youth 4-H Horse Camp
July 25-30 at Stone Cellar

Youth will learn how to horse camp in the wilderness with minimal or no impact on the land using “Gentle Use and Leave No Trace” camping skills. Lessons will include basic horsemanship, high-lining, knots, basics of packing on stock, and will spend one night packing further into the wilderness with pack stock. Enjoy trail riding, fishing, games, swimming, and exploring the Sierra around their base camp. Mark your calendars now, and save the dates! Call Cathy at (916) 358-6179, or email: catforestandrews@gmail.com for further information. Enrollment is limited to 25 youth; horse leaders may also participate; openings currently for life guards! Teens and parents. Please consider helping to judge record books on August 26th. Every club that turns in record books must also send judges. Many hands make light work, plus its fun to see the 4-Hers accomplishments!
On May 10th, the 2014 Round-Up event was held at the El Dorado County Fairgrounds. Over twenty 4-H and FFA members from the county participated in the beef group activities planned by Jorgi Darrah and Robyn Kelly.

The day began with weigh-in which consisted of weighing our steers on a large scale to help track progress for fair. Steers have to weigh at least 900 pounds to be shown at fair, and our goal is to get as close to 1300 pounds as possible. After weighing all the steers, we proceeded to where Big Jim trimmed our animals' hooves and gave them a special "bovine pedicure". If the steer's hooves are trimmed correctly, they stand better in the show ring.

With our new and improved bovine, we practiced showing our steers beginning with novice, then intermediate, then advanced showmanship. When that was finished, we all took our Beef Proficiency Test and had some snacks.

Then it was time for our first annual Round Up Team Fitting Contest. This is a competition to see which team (2-5 people) could fit and clip a steer the best within 30 minutes. Fitting consists of brushing and fluffing up your steer in specific areas to make him look fuller and more muscular. We also use hair clippers to trim up the steer and contribute to the overall toned appearance. When the thirty minutes were up our volunteer judges, Big Jim and Tiffany Carter, announced the winners. The first place teams in each age group got a ribbon and a new comb, second got a red ribbon, and third got a participation ribbon.

I am grateful for the time and energy that our beef leaders put into making sure that we are all prepared for fair this year! Round-Up was a busy, educational, and productive day in the beef barn!
The Finale of Disc Golf
By Alex S. Square Shooters

Sunday, May 18th, was the Disc Golf project’s last meeting. We went to a private course owned by Charlie Callahan, who hosts many tournaments there. He is in the Disc Golf Hall of Fame as the father of disc golf in Northern California. He helped design many of the courses around here, including the one at Lion’s Park and Pioneer Park. He has a very nice course, not too hard, and fun to play. All of the members had a fun year playing. Y’all should join the Disc Golf project next year! It’s lots of fun and you learn a lot of things. See you all next year!

“Aiden “Chili Thank you Stymeist Auto Body!

Horse Program

Northside Nuggets in the kid’s Zone

4-H is a community of young people across America who are learning citizenship, leadership and life skills
The 4-H new program year opens July 1, 2014.

Registration for members will be $40, same as 2013 and $15 for volunteers. On or after July 1st you can register for the new program year at 4honline.com using your same login user name and password.

Any questions call Nancy (4-H front desk) at 530-621-5503.

El Dorado County made a great showing at Nor Cal Presentation Day in April, bringing home 13 gold and 13 blue awards! Fantastic job 4-H!

Aiden received a GOLD for his Lego Robotics presentation at State Field Day and earned a SET Science Engineering & Technology 4-H pin!

On May 13th, the 2014 Farm Day at the Placerville Fairgrounds took place. Farm Day is part of the Ag in the Classroom program, and 3rd graders from assorted schools in El Dorado county participated in this particular event. I volunteered to help out at the watershed model, located near the blue gate entrance of the fairgrounds.

The watershed model is used to demonstrate where the rain water and snow melt gather. There are three forks of the watershed that run through El Dorado County: the north, south and middle forks of the American River.

The Placerville area is located along the south fork, and its hard to believe, but we don't actually get any of our water from Lake Tahoe! Anyway, I was in charge of spraying the watershed model with a hose to show where the water gathers. I also helped assist Tracy Celio in talking about the regions surrounding the watershed, and where most agriculture takes place.

Overall, I had lots of fun, and would love to volunteer again next year!
California State Leaders Forum—“101 Way’s 4-H Thrives” we aim to rekindle our capacity for inspiration and innovation; for the inspiration of what we do in 4-H, for relishing the inspiration of the people we know in 4-H, for the inspiration of strengthening our vision for the future of 4-H. the State Leaders Forum in Sacramento on Nov. 14 – 16, 2013. We will be updating the web page http://ucanr.edu/slf2014 for information, soon. The SLF Workshop Request for Proposal Form will be ready soon for you to fill out and submit. Proposals are due by June 30. Contact Sandy Cohen (530) 210-6993 / Sandybear74@hotmail.com if you have any questions.

4-H STATE LEADERSHIP CONFERENCE
“Raiders of the Lost Leadership”
August 14-17, 2014, U.C. Santa Cruz, Ages 13-19
Save the date! The 4-H State Leadership Conference brings together high school youth from across California in a four day leadership training, networking, and learning experience. Registration will open in June. More info: http://4h.ucanr.edu/Programs/Conferences/SLC/

#4hwaterwed
Pledge to drink more water! Each Wednesday take a picture of yourself drinking water and post it to Facebook, Twitter, and Instagram. Be sure to #4hwaterwed to show your commitment to healthy living. For more information on the importance of hydration and ideas for your club visit:
http://4h.ucanr.edu/Projects/HealthyLiving/Water_For_Better_Living/

REVOLUTION OF RESPONSIBILITY SERVICE LEARNING MINI-GRAnts
The University of California 4-H Youth Development Program is dedicated to fostering an environment where youth and adults work together as equal partners to gain new skills and create positive community change. 4-H groups can apply for up to $1,000 to identify, plan, and carry out a service-learning project in their community. Projects will be focused on the three key content areas that form the core of all 4-H programs, Science, Healthy Living, and Citizenship. Need ideas? Go to: http://ca4hfoundation.org/.

4-H is a community of young people across America who are learning citizenship, leadership and life skills
Some say ethics is just knowing and doing the right thing. Knowing the difference between right and wrong is easy, but doing the right thing is much more difficult! Building our character traits of caring, trustworthiness, respect, fairness, responsibility, and citizenship helps to make doing the right thing a little easier.

Caring means showing concern for others, both to people you work with and to your animals. A caring youth will:
- help new exhibitors
- say “thank you” and express your appreciation for others
- congratulate other exhibitors
- avoid gossip, negative publicity, taunting, and teasing others
- provide daily feed and water
- provide a clean barn or stall
- treat the animal humanely

Caring for animals includes placing more importance on the health and safety of the animal than the opportunity to go to the big show!

Respect is treating people like you would like to be treated. Respectful youth will:
- speak kindly about leaders, fair committees, and fellow 4-H’ers and listen to others
- keep animals comfortable and clean, treat them humanely
- provide daily feeding and watering
- follow proper drug use to produce a safe, high quality product for consumers

Trustworthiness means doing what you say you will do. A trustworthy youth will:
- provide daily care for your animals or make arrangements for help
- follow the rules for animal ownership and registration
- consult with a veterinarian and read labels before administering any medication
- follow all food safety rules and withdrawal times, and use only approved drugs

Fairness means listening to others, playing by the rules, and treating everyone equally. A fair youth will:
- follow ownership and registration deadlines
- know and follow show rules
- be considerate of other exhibitors
- speak well of winners and resist the temptation to gossip

Responsibility means doing the right thing, considering the consequences of your actions, and being accountable for your decisions. Responsible youth will:
- care for animals daily
- train animals to be exhibited safely
- read, know, and abide by all rules
- follow entry deadlines
- read and follow all drug and medication rules and regulations
- take care of the property of others

Responsibility is also demonstrated by good sportsmanship, good herdsmanship, and good showmanship at ALL times, not just when the judge is watching.

Citizenship means helping others and obeying the law. Youth demonstrate citizenship when they:
- help others in need
- work with less experienced exhibitors to improve their skills and knowledge
- share resources with others
- follow quality assurance methods to produce a product safe for consumers

Over the past decade, scandals have affected both 4-H and FFA shows nationwide due to the illegal use of drugs, physical alterations of animals, false ownership, and using professional fitters when the rules specified that it was not allowed. This has been damaging to the program and to consumer’s confidence in the product we produce. It is time to place emphasis on learning rather than winning. Building your character traits can help accomplish this.

By exhibiting the six character traits of caring, respect, trustworthiness, fairness, responsibility, and citizenship, you will help to build the positive image of 4-H and FFA.
