# 33rd Annual Range and Natural Resources Camp

**Camp Dates: June 18-23, 2017**

**Applications Due: April 28, 2017**

## Calling All Campers!! APPLY NOW!!

Thank you for your interest in the California Range and Natural Resources Camp (Range Camp).

This program is organized by members of the California-Pacific chapter of the Society for Range Management ("CalPac SRM") for 33 years now. Our goal has been to introduce students to the professional world of plant, animal, and landscape management. To do this we invite experts in scientific disciplines related to wildlife, for-

estry, rangeland, and plants, as well as experienced professionals who are involved in managing resources of these kinds on a daily basis. We aim to make the camp a fun experience for the campers, and interesting as well. One of our goals is to send you home with a useful understanding of the great diversity of career opportunities that are available, and the different paths through colleges and universities that can take you there.

The camp is run by a group of volunteers who take our personal time to organize each year's event and serve as primary staff for all or parts of the camp week. We do our best to limit costs to the greatest extent we can without undermining the educational and social experience of the program.

If you have any further questions, please feel free to contact the Range Camp staff at [range.camp@gmail.com](mailto:range.camp@gmail.com).

## What is Range Camp?

Range Camp is a week long program that consists of lectures, hands on activities, a ranch tour, BBQ at the beach, group projects, a plant identification test, and a final exam. At the end of camp the three Top Campers are invited to represent CalPac SRM at the annual Society for Range Management's High School Youth Forum.

During camp campers should expect to do hands on projects each day as-

sociated with lectures that often includes digging a soils pit to examine and compare soils, hiking local trails to learn plant families and names, completing an inventory of a local stream to determine creek health, learning wildlife survey techniques, etc.

*“By the end of the first day, I was falling in love with range camp and everything I never knew California possessed... Range Camp has enlightened me. It has changed me. It has permanently made me a ‘happy camper’.”*  
~Terilyn Chen

## Where is Range Camp Held?

Range Camp is held in Half Moon Bay, California on the University of California Cooperative Extension’s Elkus Ranch Environmental Education Center. Please note that applications should NOT be submitted directly to Elkus Ranch. For additional information regarding Elkus Ranch please visit [http://ucanr.edu/sites/elkus\\_ranch/](http://ucanr.edu/sites/elkus_ranch/).

## Eligibility

Age requirement: In order to be considered for Range Camp the applicant must still be in high school, but have completed the 9<sup>th</sup> grade by the start of camp. Students who will have graduated high school before Jan 2018 will not be eligible to attend the High School Youth Forum, in the event they win the Top Camper contest.

## Camp Cost

The camp fee is \$450.00. This includes meals, lodging, recreation, and transportation costs while at camp. Transportation to camp from the camper’s home on Sunday and

returning from camp on Friday is not included in the camp fee. Arrangements can be made with the camp staff to shuttle campers between the camp and

the San Francisco Airport or the Emeryville Train Station. Emergency medical insurance is provided through event membership in 4-H.

## Sponsorship

Majority of camper receive sponsorship from local organizations, such as Resource Conservation Districts (RCD) to cover the camp fee. We encourage all campers being sponsored to give a presentation to the board of the sponsoring

organization after camp is over. This helps the board members understand what Range Camp is and can help interested participants in the future get sponsorship.

Range Camp will help facilitate coordination

with local organizations but it is up to the applicant to develop and secure those relationships.

Students who would like help finding sponsors should contact [range.camp@gmail.com](mailto:range.camp@gmail.com).

## Applications

On average, about 25 campers from across California and Hawaii attend camp each year. Those students not selected for this year’s camp are encouraged to apply for future camps.

Applications for the Range Camp are available on the California-Pacific Section’s Website: <http://casrm.rangelands.org/HTML/rangecamps.html>.

Please mail applications the following address:

**Range Camp  
Attn: Cece Dahlstrom  
4586 Utah Street  
San Diego, CA 92116**

Applications can be emailed to [range.camp@gmail.com](mailto:range.camp@gmail.com) but please remember that you will need to mail in the 4H Liability and Medical Release Forms with wet signatures.

**Applicant Selection**

- Space is limited to 25-30 students each year. Applicants are selected based upon the following criteria:
- 1) Carried over from previous year's waiting list
  - 2) Senior students given priority (last year of eligibility)
  - 3) Regional representativeness (including HI students)
  - 4) Preference given to those who have not attended previously
  - 5) Gender equity

**Camp Daily Life**

Range camp involves lectures and activities, including a group project and presentation at the end of camp. Example below is from previous years. Current year's schedule may differ.

Sunday	Arrival and Registration GPS and Orienteering
Monday	Introduction to Rangelands Tour of Elkus Youth Ranch & Plant Collection
Tuesday	Products and Uses of Rangelands: Livestock, Wildlife, Recreation, Soils, Water, Fisheries Forestry and Vegetation
Wednesday	Management and Improvement Techniques: Water, Fencing, Seeding and Fertilization, and Grazing Management Systems Ranch Tour and Beach Barbeque
Thursday	Public and Private Land Management Comprehensive & Plant Identification Field Projects: Range Production and Improvement, Erosion Control, Wildlife and Riparian Management "Town Hall" Meeting—group presentations
Friday	Graduation, Evaluation & Awards Camp Clean-up

**Awards: Top Campers**

**All Campers Receive:**  
Certificate of Completion  
T-Shirt  
Water bottle

**TOP CAMPER**  
**First & Second Place**  
All expense paid invitation to be one of CalPac Section's delegates at the Society for Range Management's Annual High School Youth Forum.

**Third Place**  
Invitation to be one of CalPac Section's dele-

gates at the HSYF.

(Third place delegate must cover their own travel and registration expenses but Range Camp can help find sponsorship opportunities if needed)

**2018 High School Youth Forum**

Reno, NV – Jan 28-Feb 1, 2018

Delegates must be a high school student for the school year 2017-2018 to be eligible to attend the HSYF.
