4-H Program Updates - Erin Paradis

4honline - Please review your enrollment list. If you have pending members who have decided not to participate, please let Erin know so she can get them removed. The state will bill for all members in the 4honline enrollment system at the end of the program year.

Community BBQ - This is a drive-thru event on Saturday, July 9th. Tickets are now \$15.00. 50% of ticket goes back to the club. Member are needed to help. We need more members to help so we can rotate the kids, so they are not overheating. Members are strongly encouraged to purchase tickets to include in their buyers Thank-You.

SDF

YQCA Training - Livestock exhibitors must have a YQCA certificate of completion to participate in a show and sale. Erin no longer has access to the certificate number. If there are issues, the family needs to send a help request to the YQCA program.

Ear Tag - We are expecting the tags next week. Please send the number of tags you need for your projects so we can get them ready for you.

Fair Contracts - Due to the 4-H office by May 13th, make sure the correct signatures are there.

SDF Entries - Due online by May 20th

Buyer's Dinner - Members are needed to help with the dinner. Members need to be in their whites since this is a fair event. All projects need to donate a basket for the buyers. No alcohol.

Committee Reports

Council Scholarship - The committee awarded Kassidy (Palo Cedro 4-H) \$1,000.00 and Risa (Evergreen 4-H) \$500.00

Shasta County 4-H minutes

County Ambassador – Kassidy gave a report on what the Ambassadors have been doing. They are currently working on a 4-H Fun-night for all the members in Shasta County. They are waiting on details from Water Works Park and will be sending out some information to the members.

County Events

Presentation Day – Golden Acres hosted presentation day in-person. The office also hosted virtually. Kassidy talked about the in-person event. Lily, Mikayla, and Micah talked about presenting virtually.

Valley Field Day – Registration closes on the 24th. This is the last fair qualifier that the county offers for SDF. Pig showmanship is going to be done with beach balls instead of real pigs. Members need to bring their show stick. We still need a beef judge and possibly a sheep judge.

New Business

2022-2023 Event Calendar – We still need to couple of clubs to help with Livestock Judging Day. Happy Valley is going to do the organization/sign-in and Swede Creek is going to do Tabulations at the event. The goal is to offer the YQCA training after judging day.

Community Service – Oakmont Assisted Living called and asked if we had a group of youth that would be willing to visit with their small animals in June. The COVID restrictions are lifting so they would like to start having visitors/special events again

Nominations – Please send your council nominations to the office by May 17th.

No other new business
