Shasta County 4-H minutes

Old Business

Food Safety Training – was held in November at the 4-H office for adults and youth.

Treasurer Training – please make sure your treasurers and a volunteer has completed the online treasurer training.

New Business

Falley Field Day Buckles – Lg. animal buckles have been ordered. Small animal buckles have not been ordered yet. It was decided to wait and order the buckles after the event so they have the correct animals on it and not order a buckle that isn't needed since the date will be on the buckle. We do have a buckle from last year that could possibly be used for a photo opportunity.

Jr./Teen Leadership training – Mandy has asked the clubs to reach out to their leaders and see if they would be interested in a leadership event.
