

AN OPEN INVITATION TO OUR EXPANDED LEARNING AND AFTERSCHOOL COLLEAGUES.

We partner with expanded learning programs to build prepared educators that are able to provide high quality youth development so California's young people may thrive.

SINCE 1902

THE LEADER IN RESEARCH-BASED YOUTH DEVELOPMENT

We believe in the power of young people. We see that every child has valuable strengths and real influence to improve the world.

We are problem-solvers, collaborators, educators, and stewards, living in the communities we serve, to help California's young people thrive.

The University of California Division of Agriculture & Natural Resources is an equal opportunity provider.

4-H Youth Development Program

PROFESSIONAL DEVELOPMENT

We facilitate hands-on, interactive educator workshops delivered at your facility. Topics include positive youth development practices and experiential education, and curriculum delivery.

PERSONALIZED CURRICULUM

Drawing on our nationwide network of peer-reviewed educational resources, we provide personalized curriculum recommendations and training.

PROGRAM IMPLEMENTATION

We coordinate program delivery, recruiting teenage and adult educators, to provide learning experiences around STEM, healthy living, and civic engagement.

EVALUATION ASSISTANCE

We support evaluation of learning outcomes, relevant to your program objectives, using valid and reliable tools developed by experts.
