There will be two parts to the workshop.

At 10:00 AM, there will be a lecture on:

- Fundamentals of pruning
- Dormant vs summer pruning
- Heading vs thinning cuts, proper pruning cuts
- Disease prevention, appropriate tools, tool care
- Tips for restoring neglected, old fruit trees

At 11:30 AM, attendees will practice hands-on pruning on Young Family Ranch fruit trees with guidance from Trinity Master Gardeners.

Participants can attend all or part of the workshop.

Participants are encouraged to bring their own pruning tools if they would like to have them sharpened. Some tools and ladders will be provided. Please dress warmly as part of the workshop will be outdoors.

In the event of rain/snow, the hands-on pruning practice will be cancelled.

*This free workshop is sponsored by the University of California Cooperative Extension.*
