Prescribed Fire on Private Lands Workshop

May 14th- May 15th Blodgett Forest Research Station
Georgetown, CA

Save the Date!

A two day workshop designed for landowners and managers looking to gain skills in prescribed fire planning and implementation. Opportunity to see first hand lands actively managed with prescribed fire.

Day One Topics:

- Local fire history and current fire research
- Prescribed fire permitting and legal considerations
- Cal Fire's Vegetation Management Program
- Fire weather forecasting and online tools
- Air quality and smoke management
- Prescribed burn associations
- Fire terms and fire behavior
- Burn plan development
- Burn unit preparation
- Tools and equipment

Registration Information:

Cost includes workshop materials, lunch, and refreshments for one or two days.

- May 14th only - \$20
- May 14th and 15th - \$40
- May 14th -15th including lodging, dinner, and breakfast - \$115

Register online by May 7th
