FIVE PRESENTATION AWARD GUIDELINES & APPLICATION **(Deadline is Wednesday, July 5, 2023)**

WHAT IS THE PRESENTATION AWARD?

The Five Presentation Award is a medal given to a 4-H member who has presented their 4-H presentation five or more times during the program year.

WHY SHOULD I EARN THIS AWARD?

Public speaking skills are very important in today's world. You can learn to plan and prepare a presentation, speak before groups with self-esteem and confidence, share the skills and knowledge you have learned in 4-H with others, promote 4-H in your community and show what skills 4-H has taught you.

HOW CAN I EARN THIS AWARD?

1. Give a presentation at least five (5) times during the program year with an audience of at least eight people. Some examples of locations to present your demonstration are at club meetings, project meetings, a qualifying county event, county presentation day, sectional presentation day, service clubs, school classrooms, senior citizens groups, etc. If using the same presentation for the Fair Exhibition requirements, remember the subject of the presentation must be directly related to the project being exhibited at the Glenn County Fair. If a member will be exhibiting an ABA project as well as a livestock animal, the member can choose a presentation for either project.
2. You **MUST** have a signature from each group verifying your presentation was given with the total number of people in the audience.
3. Presentations given to neighbors, relatives, or friends **DO NOT** count.
4. All application forms will be checked to ensure that your presentation was given five (5) times and met all requirements. **You must give your presentation at the County Presentation Day to qualify for the 5 Presentation Award.**
5. Your application form is to be turned in by **Wednesday, July 5, 2023** to the UCCE Office.
