4-H FUNDRAISER DINNER

The community of Glenn County went above and beyond to support the Annual Glenn County 4-H Pork Loin Fundraiser Dinner! The event was held **Saturday, March 4, 2023**, from 3:00 to 7:00 p.m., at the Willows Memorial Hall. The event also included a Kid's Carnival and a Bake Sale with the options of dinning in and visit with friends, take- out, or pick-up through the drive-thru.

The dinner wouldn't have been the success it was without the many volunteers. Ringing true to the saying 'many hands make light work' was demonstrated in all aspects from the planning phase with the Fundraiser Dinner Committee led by the Committee Chairs, Abby Alves and Debbie Scritchfield, to the many adult and youth volunteers that helped execute and facilitate the plan. A special thank you to the committee: Jamie Marron and Marci Sanchez of the Schaffert 4-H Club; Brooklynn Hobbs, Jaime Hobbs, Sheyenne Munguia, Jakob Munguia, Holly Pool, Corie Hurlburt, Loren Chapman, and Jennifer Scritchfield of the Willows 4-H Club and Community Education Specialist, Christine Kampmann.

The support from the community couldn't have been more impressive either. The committee had a goal to sell 1400 tickets, and they exceeded that goal with 1411 tickets sold. Other ways that members of the community showed their support was through participation of the Kids Carnival, donating desserts

for the Bake Sale, those that purchased the baked goods, donating items to contribute to the dinner menu, and others showed their support through their words of encouragement.

Thank you to the local businesses and individuals who donated food and other products for the event. Those who made these donations for the dinner were: Abby Alves, VFW Auxillary, Mar Val Foods, Glenn Growers, Ceccon Farms, Rumiano Cheese of Willows, and Round Table Pizza, Glenn County Farm Bureau, and SAVMOR Foods of Orland. Without generous donations from businesses and community members, the 4-H Dinner would not have been the tremendous success that it was.

Glenn County 4-H would like to thank the evaluators, Ken and Marci Sanchez for taking time out of their busy schedules to help with this activity.
