

Glenn County 4-H Council Club, Project Leader, or Member Financial Support Request Information 2023-2024

Description and Directions: This form should be filled out by the 4-H Club, Project Leader, or 4-H Family for assistance. Members and Project Leaders should go to their 4-H club first for help before completing the Financial Support Request Form. Member's confidentiality and discretion will be maintained, and requests will be kept confidential. Please turn in the completed form, along with a picture or attachment of the item requested (including the price), to the UCCE Office at 821 E. South Street, Orland, CA 95963, or email it to: glenncounty4h@ucanr.edu.

Member financial aid would be for items such as uniforms and project supplies assistance (if the Project Leader is not completing the form for the project as a whole). Financial support for ABA (Anything but Animals) and livestock assistance is considered for items like tools, equipment, and supplies. 4-H clubs should consider fundraising for club and project expenses and help fund project supplies.

Glenn County 4-H Council, along with 4-H YDP personnel, will consider requests for support but reserves the right to:

- Have clubs consider fundraising to either raise the total or partial amount requested on the Financial Support Request Form if not fully approved.
- Ask questions.

Forms must be submitted by the first of the month for consideration at the current month's Executive Committee meeting. All requests submitted after the first of the month will be moved to the following month for consideration. Financial Support requests will be decided at the Executive Committee meetings, along with 4-H YDP personnel, and the support amount approved will be reported at the monthly Glenn County 4-H Council meeting.

For projects, a Budget Plan Form must be submitted with the Financial Support Request Form. **Please provide a picture or attachment of the item requested, including the price.**
