

San Bernardino County Management Board Meeting March 13, 2018

Clubs represented: HDC, MG, MV, HH.

Deb moved, it was seconded and approved unanimously to approve the agenda.

Paul moved, it was seconded and approved unanimously to approve the minutes.

No financial report, Linda absent.

Recognition, Christine will check on Field Day awards.

Kami would like to establish policy dealing with record book forms that stipulates 80% attendance and what we will do if that is not met. The attendance questions on the RB form do not align with the steps to success. Discussion ensued. Claudia will get clarification from the state. 80% attendance or 6 hours?

Emily discussed a Walk for Visibility in Long Beach. If anyone wants to go she will organize it. 8-8:30 set up a craft booth, and signs along a course across from the Aquarium of the Pacific. Crafts are done before the walk.

Advisor, Stephanie ordered string bags. They went to fort Irwin and did an activity. Next month they are taking animals. There will be a kid's activity next year to do something on the Anza Trail as partners with the National Park Service. Someone will do an exploration beforehand.

We have partnered with Inland Conservation District to start up a Rancho club again. There is a kid's expo in Rancho coming up where we hope to drum up members for the club.

California 4-H foundation is looking for donations. They want to develop a list of possible supporters, and volunteers. We thought of Kiwanis, farm bureau, and women in agriculture. Discussion ensued with ideas to contact alumni. The state has no record of them ??? Allstars can do this outreach in the future. A home show at the fairgrounds might be a source; Kiwanis meet on a Tuesday in April. We also need to think of some young Allstars.

Old Business, The Joanne's event was a good experience and exposure, good to make the cards. They are not supportive of 4-H, and we should not do it the same month as Girl Scouts.

Field Day, Amber will create some stations. They will be in the cafeteria if it rains. MFP will have a booth on oatmeal. Judy Brown has a big coffee pot!! ; } Laurie will do a continental breakfast. Amber will bring fruit and snacks. There will be a child with special needs. We need specifics so accommodations can be made.

Dates are available for TSC Clover Days. There must be a leader in attendance. There was a schedule, and it should be followed. Some clubs were less than gracious. The office will send out a memo that Amber is in charge, and time slots may be shared.

Achievement Night is down the hill, there will be coffee ; } the facility is not quite approved yet, Judy found a place that will donate, we aren't sure on the size. There is no theme, we will wait until we know more about the facility.

SB county fair booth will be available. JFB has some great ideas. We would like to know the size and have some ed displays, maybe kids talking to the public, or giving presentations.

Leaders meeting April 10th.

Management board May 8th at 7

Money needed for livestock awards. Kami needs the names. Deb moved, it was seconded and approved.

Meeting adjourned at 8:45
