**REPORTS:** The All Star report was given by ???. Ashley Avila, Sydney Gallegos, Marshall Kling, Kent Sheldon and Travis Smith will be hosting a Judging Day workshop to prepare kids for "Judging Day" on 10/18/14 from 9:30-12:00 as their Emerald Star Project. Kayla McCalvy is doing an Emerald Star Project on Cancer Care Packages. There was no information to provide on Thrive, the training is not yet open. Michele White reported on Relay for Life that they raised \$1750 and to come walk! WA/CA Focus, Kayla McCalvy and Jacob Wilhite reported on upcoming events they are considering to raise funds. Youth representative was not present to report.

**OLD BUSINESS:** 4H Madness received great feedback on the results, activities and turnout. Judging Day an overall Chairman is needed and a paper was passed around regarding activities/judging, etc. Georgene recommended since it is an educational event that we go back through after all kids have judged and cards turned in, that they go back through and get a report on how the classes were placed and why. This would meet the educational component, provide some much needed use of time to allow for tabulations and keep the kids there and occupied for a period of time. Council BBQ and tasks were discussed, as well as a confirmation on the menu. Lilly made a motion and Janice Berry made a second to see if there was room and availability to do rice and green beans at the cafeteria she uses for rice. Nothing was reported regarding the 4H week Display and Record Book Committee.

**NEW BUSINESS:** Reed Thompson gave a presentation on Healthy Living and a plan to incorporate it within the clubs and reward those who participate and make a difference. The matter will be taken back to each club and then brought back to Council. As previously voted upon, we will have an On-Line Record Book Workshop (ORB) and it is encouraged to have at least one person per club present to take back to their respective clubs. Please bring a Laptop or Ipad. Emerald Star interviews for new projects and exiting will be on 11/20/14. A handout was given out explaining, and all clubs need to update their By-Laws and Club Constitutions.

**REPORT FROM 4H STAFF:** ??????

Next 4H Council meeting will be **Monday**, November 3rd at 7:00 pm.

Respectfully submitted
