The adult volunteer in charge of the meeting/activity must complete the online [COVID-19 Safety Training](#) in order to conduct an in-person meeting. The guidelines include the following:

1. [Basic Safety Standards](#). These five (5) safety standards must be followed for all in-person activities: (1) Do NOT participate in any in-person 4-H activities if you are sick or have COVID-19 symptoms or if you or someone you have been in contact with has been diagnosed with COVID-19. Symptoms include: (a) fever or chills, (b) cough, (c) shortness of breath or difficulty breathing, (d) fatigue, (e) muscle or body aches, (f) headache, (g) new loss of taste or smell, (h) sore throat, congestion or runny nose, and (i) nausea, vomiting or diarrhea. (2) Always maintain six feet of distance between people. (3) Wear cloth mask or face coverings when you are attending in-person meetings. (4) Maintain hygiene practices. Frequently clean and disinfect workspaces and equipment, wash hands often, and use hand sanitizer. (5) Meetings should be conducted remotely whenever possible. In-person activities must follow occupancy limits and other protective measures as noted, based on a county's tier assignment on the State of California's [Blueprint for a Safer Economy](#).
2. [Occupancy Limits](#) must be followed for in-person 4-H activities. Guidelines are based on the requirements for higher education adopted by UC ANR and enhanced for 4-H programming. **Substantial (red) tier Indoor Capacity** = Area of Room / 36 sq. ft. per person or maximum of 25% of room capacity, whichever is lower. No more than 100 people. **Outdoor Capacity** – Maximum 100 people, maintain 6 ft distance between all participants during activity.
3. The [4-H Safety Protocol Checklist](#) must be completed by 4-H Adult Volunteers two-weeks prior to hosting in-person meetings to ensure you are prepared to resume in-person 4-H programming or activities.
4. Consult additional resource items: (a) [Symptom Survey](#), (b) [Attendance Log](#), (c) [Procedures for 4-H Meetings during COVID-19](#), (d) [Planning Strategies for In-person Meetings](#), (e) [Strategies to Reduce In-person Meeting Size](#), (f) [Frequently Asked Questions](#) and (g) [County Public Health Orders website](#).

\*Decisions to allow 4-H in-person meetings are at the discretion of the UCCE County Director with direction from the County Public Health Officer. Any unauthorized in-person activities will not be covered by UC insurance and may not be included in 4-H record books.
