

2019 Growing Food in Tahoe Workshop Series (Updated dates 5/13/19)

By: UCCE Master Gardeners of Lake Tahoe

Join Master Gardeners Dave Long and Melissa Guthrie as they present the 2019 Growing Food in Tahoe Workshops around the lake! We thank our partner organizations: Friends of the Library, UC Davis Tahoe Environmental Research Center and Slow Food Lake Tahoe (Truckee Demonstration Garden) and especially UNR's Desert Farming Initiative!

We encourage you to participate in these fun grow out trials! For a small donation bring plants home to test in your garden.

South Lake Tahoe Library, 1000 Rufus Allen Blvd., South Lake Tahoe, 96150,
