Leadership Opportunities

Attention All Adults: Interested in Becoming a 4-H Volunteer Project Leader!

Our 4-H leaders are the backbone of the 4-H program as 4-H is an all volunteer led program. You can open the doors for youth and yourself to gain new life learning experiences through 4-H projects.

There are many reasons to become a volunteer. Some people want to become involved in their children’s activities, others want to help children in their community or have a skill to share, and others were 4-H’ers as children and want to share their experiences. Regardless of the reason, the 4-H program is glad you are considering becoming a 4-H leader or have joined the team.

You don’t have to be an expert on a subject, just willing to learn with the youth. Many resources are available through the 4-H office to assist you with information to be successful. As a project leader, you can help youth develop into responsible, self-directed, productive citizens of the world. Projects have a focus in citizenship, leadership, and developing life-skills, using the experiential learning model of “learning-by-doing”.

*Learning-by-doing* is a basic philosophy of 4-H. The 4-H project is one of the areas where learning by-doing takes place. Within the project, members learn things to do, things to make, and things to explore. As members gain experience, the size of their projects may be increased and/or they may choose to take on additional projects.

**A 4-H Project is:**

- Planned work in an area of interest to the 4-H member
- Guided by a volunteer who is the project leader
- Aimed at planned objectives that can be attained and measured
- Summarized by some form of record keeping

Most project work occurs over a period of several weeks or months during a year. A minimum of six hours of instruction is required to complete a non-animal project. More hours of instruction are required in animal and other projects to accomplish the goal of the project. We want to remind you this is an application process. All parts of the process must be completed BEFORE you begin serving as a 4-H volunteer. 4-H volunteer leaders must be at least 18 years of age. **To become a 4-H volunteer contact your Community Club Leader and:**

- Complete the 4-H New Adult Volunteer on-line application, with payment
- 4-H Volunteer Certification (view a 25 minute on-line video and complete the follow up quiz) Visit our website at [http://ucanr.org/4horientation](http://ucanr.org/4horientation)
- A live-scan with Department of Justice clearance.
- Approval from the County Director

You will be notified when your application has been approved. Please allow a minimum of 10 days for live-scan to clear through the Department of Justice. Appointments are renewed on an annual basis.

**Thank you for volunteering to share your time and talents as a 4-H project leader.**

4-H, FFA, and Junior Grange Projects

**Multi-Program Membership Clarification**

When a member maintains projects in 4-H, FFA, and/or Junior Grange, the projects may **NOT** be in the same kind of livestock or crop. **Please note the following exception:** A 4-H member may take a specie of livestock in FFA and be the Teen Leader for the same specie in 4-H. The member would enroll in the 4-H Leadership project. All involvement with showmanship and/or selling of that specie will be completed under FFA program.

A member of FFA chapter, Junior Grange, or 4-H club may only transfer projects **ONCE** from one organization to another during a calendar year. This must be by written notification to your 4-H club leadership. To be able to show a project at a fair or show, the project must be under the supervision of the organization which it will be shown for at least 60 days prior to the fair or show for market animals (150 days for market beef, and 30 days for market rabbits and poultry).
Other News Items

The world is constantly in need of something. It could be rain, peace, comfort and/or kindness. This year, we decided to make a difference. So we created the S.O.S. group, or The Summer of Sewing. Clara and Frodo Abrahams, Lydia, Mia and Sofi Clark were all very interested in Project Linus (www.projectlinus.org) and the 1 Million Pillowcase Challenge (http://www.allpeoplequilt.com/millionpillowcases/). Project Linus’ mission is to sew blankets and donate them to children in need. In 2013, the Sacramento chapter of Project Linus gave 9,353 blankets to people in need. The mission of the Million Pillowcase Challenge is to make pillowcases for local charities.

This inspired all of us to want to make a difference, by using our hands and our hearts. The core of our sewing group is from Barbara Vineyard’s Sewing Project of the Mt. Pleasant 4-H Club. S.O.S. was made up of 4-Hers from Ophir 4-H Club and Mt. Pleasant 4-H Club. We are a group of friends that got together each and every week over the summer to try and make as many blankets and pillowcases as we could. Our goal was 12 blankets but we completed 14 blankets and 8 pillowcases. "We made cute, cuddly, and warm blankets and pillowcases,“ (Mia, age 10). Everyone had a lot of fun digging through closets and fabric stockpiles for materials, and mixing and matching fabrics. We celebrated the completion of our charity project with a pool party.

The S.O.S. sewing group plans to do this next summer as well and we hope others will join us. "We all felt really good and proud of what we had accomplished,” (Frodo, age 5). This year, we helped 22 people. The blankets, according to Claire Glidden and Diane Kroll of Project Linus, are going to the Cottage Housing at McClellan Air Force Base for formerly homeless families (cottagehousing.org). We gave the pillowcases to Sew Katie Jean in Lincoln (katiejean.net), and they are going to hospitalized soldiers and veterans. The world will always be in need of something, but we were all very happy that we were able to make a difference.

4-H Policy

General Liability Insurance: UC’s General Liability & Self Insurance program does not cover 4-H youth members and it does not cover project animals, including damages or injury caused by the animals. Since junior exhibitors have been sued for injuries sustained at fairs, it is suggested that junior exhibitors consider taking out a liability policy through a private company covering themselves and their exhibit. Home Owner policies may include or can often be written to include this coverage. Much more General Liability Insurance information can be found at http://www.ca4h.org/Administration/Policies/.

Accident and Sickness Insurance: 4-H Youth and Certified Volunteers are covered by The Hartford Accident/Sickness Insurance Policy. It covers injuries to 4-H members and volunteers caused by project animals. More Accident and Sickness Insurance information can be found at http://www.ca4h.org/Administration/Policies/.

Leadership: A Minimum of Two Adults (Chapter 11 Section 4.B CA 4-H Policy Handbook) Protection of youth is of utmost importance in the California 4-H YDP. Therefore, 4-H YDP staff, adult volunteers and members should adhere to these policies at all times.

1. There will be two (2) adult volunteers with members at all times.
2. In some occasions it may be impractical to have two (2) appointed adult volunteers present; in these situations there should be one (1) appointed adult volunteer and another adult or 4-H YDP staff member (one of which must be at least 21 years of age).
3. The adult in charge of the event must be an adult volunteer as appointed by the county director.
4. In general, no one-on-one interactions should occur in private. This includes between members and adults or among youth. If personal discussions are necessary, they should be conducted in an area that is in view of other adult volunteers and members.

Leadership: Supervision in Vehicles (Chapter 11 Section 4.C CA 4-H Policy Handbook) UC and the 4-H YDP are committed to protecting members in a proactive manner against child abuse and/or neglect. These policies are primarily for the protection of members; however, they also serve to protect adult volunteers and 4-H YDP staff from false accusations of abuse.

1. Adult Volunteers should not be alone in vehicles with 4-H members.
2. Adult Volunteers should not be one-on-one in a vehicle with members other than their own child/children.
3. Adult volunteers must have current Youth Medical Release and Health History Form from the member’s parents/guardians before transporting any members in their vehicle to any 4-H YDP activity or event.
