Membership & Volunteer Cards

Youth Membership Cards: Your Community Club Leaders will be picking up your 4-H Club Member Cards at the January Community Leader/Council Meeting, making them available to distribute at your next 4-H Club meeting. They will also provide to each family a copy of the 4-H Youth Code of Conduct and Parent/Adult Behavior Guidelines.

Volunteer Leader Cards: Your card was mailed directly to you as your enrollment was confirmed. If you have not yet received your card, it is possible you have not completed the enrollment process. If you have questions, please contact Beth at the 4-H office by email at bsatterlee@ucanr.edu or by phone at 530-889-7386.

4-H Enrollment is Open Year Around...

...but there are some advantages to enrolling in the fall, at the beginning of the new 4-H year.

- Some clubs have met their capacity and are closed to new enrollment such as Gold Country 4-H Club.
- You must be enrolled in the 4-H market projects of your choice prior to Nov. 30th if enrolling in a market animal project to be shown and sold at Gold Country or Placer County Fairs in 2015.
- Some projects are in progress and too many meetings have been missed. Check with the project leader to verify space available and receive permission to participate.
- Returning members must attend 80% of all Club Meetings held within the club year. Only 1st year members count 80% of club meetings after enrolling with club.

The 4-H program has a wealth of information and opportunities for youth ages 5 (or in Kindergarten) through and until their 19th birthday (if it falls after Dec. 31st of the enrollment year).

You want to become involved in Science, Engineering, and Technology and don’t see a project available? Let’s find an adult who is interested in these fields to become the 4-H adult volunteer leader and get a project going. New projects can be started and youth enroll anytime. The CA 4-H Policy requires new and unusual project outlines be submitted for approval by the County Director and include a minimum of six instructional hours for non-animal projects. Animal projects require more follow-up instruction.

Please visit the link for contact information to the clubs within Placer County 4-H

http://ucanr.edu/sites/placercounty4h/Community_Clubs/

Club and Project Leaders - Please remember that the 4-H office must process a Facilities Use Form, for insurance purposes, for all club or project meetings at any location, except those meetings held in the leader’s home. Complete and submit the form a maximum of two weeks before your first meeting. You may complete the Facilities Use Form through the survey link below or by returning a paper copy to the office. Please contact the 4-H Office with any questions you might have.

County 4-H Presentation Day

**Registration Due: February 22, 2015**

**Pre-registration is REQUIRED:** [http://ucanr.edu/placerpresentationday](http://ucanr.edu/placerpresentationday)

What is a 4-H Presentation?

A presentation is a method used to communicate an idea by showing and/or telling. It can be a demonstration or a talk that uses posters and other visual aids. A 4-H Presentation helps you learn to research a subject, organize ideas in a logical order, be a teacher and practice public speaking skills. Any 4-H member may participate.

Placer County Presentation Day will be patterned after the format for the 4-H Regional and State Presentation Days. A State “Presentations Guide for 4-H Members, version #3” is available on line at [http://4h.ucanr.edu/files/2193.pdf](http://4h.ucanr.edu/files/2193.pdf). Presentation categories include: Demonstration, Impromptu, Illustrated Talk, Interpretive Reading, Problem Solving, Prepared Speech, Educational Display, Audio-Visual, Cultural Arts, and a group speech-activity named “Share-the-Fun”.

Community Club Leaders and Presentation Project Leaders will have a copy and more copies can be obtained at the 4-H office. This guide is a great resource of information!

To have a successful presentation it must contain the following:

1. An introduction—it should briefly cover what is to be shown or told.
2. A body—it should illustrate the subject logically and clearly.
3. A summary—it should reiterate what has been said so that the audience takes away the main idea.

Don’t forget an original and catchy title, this will set the stage for your presentation! Most of all...Enjoy Yourself!

California 4-H offers thematic recognition pins for youth who participate at State 4-H Presentation Day and focus their presentations on one of the following areas:

- **Science, Engineering and Technology:** Geospatial Science
- **Healthy Living:** Hydration
- **Thrive:** The Path to Thriving
- **Citizenship:** Civic Education

Visit the State 4-H website for more details about participating in this opportunity: [http://4h.ucanr.edu/files/177533.pdf](http://4h.ucanr.edu/files/177533.pdf)

Members, leaders and counties are encouraged to plan projects and county fashion revues following the SFR category guidelines. For the Up-cycle project, be sure to take a “before” photo holding the original item and an “after” photo wearing the outfit. Specific category information is posted at [http://4h.ucanr.edu/4-H_Events/SFD/SFR/](http://4h.ucanr.edu/4-H_Events/SFD/SFR/).

- Counties may offer additional categories but all outfits qualifying to advance to SFR must meet SFR guidelines.
- A member may only enter one outfit in SFR.
- Age divisions changed statewide this year. They are, as of 12/31/2014: Junior age 9-10, Intermediate 11-13, Senior 14-18.

State Fashion Revue is coordinating two service projects: "Fashion It Pillowcases" and "Hats for the Hopeful". They can be made of fleece, soft fabric or knitted/crocheted of soft yarn. Please visit SFR site below for further information. Specific category information is posted at: [http://4h.ucanr.edu/4-H_Events/SFD/SFR/](http://4h.ucanr.edu/4-H_Events/SFD/SFR/)

This State Fashion Revue is a “qualifying event”, meaning that you must pre-qualify by submitting items at a County-level event before submitting them to the State Fashion Revue. The Bi-County Fashion Revue will be held on April 25, 2015 and will be hosted by Placer County. Location to be announced, so please watch the 4-H website for additional information and updates.

Placer County and Gold Country Fair would like to remind us:
County, District and State Fairs cannot legally carry liability insurance covering junior exhibitors and/or their exhibits. Liability insurance is the responsibility and at the discretion of the junior exhibitor. Therefore, it is suggested that junior exhibitors consider taking out a liability policy covering themselves and their exhibits. All Independent Exhibitors are required to show proof of liability insurance. All other junior Exhibitors (4-H and FFA) are strongly urged to carry liability insurance. A policy may be purchased through California Fair Services Authority for a minimal cost. Please be aware that Gold Country Fair Jr. Livestock Rule # 36, stating that market steers must be under control at all times, will be strictly enforced. Call the Fair offices for assistance and applications.

All 4-H project leaders, 4-H exhibitors, FFA Advisors, FFA exhibitors, Independent exhibitors and parents of Independent exhibitors MUST complete Quality Assurance/Ethics training once every five years. This mandatory training is for those exhibitors entering small animals or livestock at Placer County Fair and/or Gold Country Fair. These requirements are established by Placer County Fair and Gold Country Fair. All trainings are organized by the fairs.
