

COOL SEASON FLOWERS for San Joaquin Valley Gardens
Master Gardeners of Tulare & Kings Counties

COOL SEASON FLOWERS brighten gloomy weather. They can be planted from early October into early spring. Most will flower only sporadically during the coldest months, but by early spring, will be ready to put on a glorious show to welcome the warmer weather. Here are a few of the more common flowers that do well in our area.

PANSY			
			
VIOLA			
			
			
SWEET PEA	SNAPDRAGON		
			
ICELAND POPPY	STOCK		
			

ENGLISH PRIMROSE
