

## Ground Rules

Remember the 3 L's when observing garden critters

- 1) Look
- 2) Learn
- 3) Leave it there

- No running or stepping in the beds
- Roll a rock out, roll it back
- Shovels stay on the ground
- No killing-an ecosystem depends on ALL creatures
- Children stay outside the door to the shed
- Make sure it's edible before putting it in your mouth
- Please put a piece of trash in the can when you visit
