Far North Sectionals

When it comes to presentations Modoc County youth did not disappoint! This years Far North sectionals were hosted by Siskyou County. Modoc youth presented 21 out of the 41 presentations. Youths entered a number of competitions from interpretive readings, illustrated talks, and science/engineering. 15 of these presentations earned "Golds" that qualified them to move on to State Presentation Day held on June 1st at UC Davis. Thanks so much to all the family, leaders and clubs for all the support you give to our youth. Special thanks to the Milano foundation for the awards given out for this event. Congratulations to all who participated in this event and good luck to those signed up for State Presentation day.

Canby 4-H

Canby Hot Springs 4-H attended Presentation Day Sectionals which was held at Etna's elementary school. We didn't get a hotel so we drove there at 5:00 in the morning, and we were all very tired. We had fun presenting and socializing. We were glad to find out they had donuts, hot chocolate, and other sugar filled things to wake us up. Most of us received golds and are moving on to State. We look forward to exploring the campus, meeting new people, and presenting.
