75th Annual Modoc Junior Livestock Sale Friday, June 16, 2023

JLS President ~ Paul Bartolo

**John Cummings Memorial
Livestock Grounds
Alturas, CA**

A NOTE FROM the Junior Show Board....

We invite you to help us celebrate our 75th Diamond Jubilee themed year, June 12 - 16, 2023. Modoc's 4-H and FFA youth will be showcasing animals representing many hours of hard work, laughter and tears, commemorating the values of raising livestock.

Did you know that we are the only livestock show in California to be ran solely by youth? This means our entire Junior Livestock Show is planned and put on by our Junior Livestock Show Board, made up of 22 representatives from local 4-H Clubs and FFA Chapters from Big Valley to Surprise Valley, Madeline to New Pine Creek, and everything in between.

We hope you can attend and take part in our show. Our Livestock Auction takes place, Friday, June 16, 2023 at 6:30 p.m. If you'd like to contribute to our local youth, We encourage you to check out the options in the third column!

We are truly a unique and blessed community and appreciate all of your generosity. If you have any questions, give us a call at (530)-233-6400.

Hope to see you in June,

The Modoc Junior Show Board

Benefits Youth Gain from Showing Livestock

Raising livestock projects involve lots of early mornings, late nights, and long hours to accomplish the care these animals require. Working with livestock teaches youth several life skills and valuable lessons that will set them up for success in the future.

- **Responsibility.** Animals rely on a caretaker to provide them with the proper nutrition and daily care. Caring for show animals teaches the importance of consistency and attention to detail. Youth provide their livestock with the exact amount of feed, exercise, and grooming to ensure they are looking their best.
- **Personal Values.** Growing up around livestock helps youth to build a solid foundation of values. Through long hours, youth learn the value of hard work, how to achieve goals, patience, compassion, and respect.
- **Competition & Sportsmanship.** Healthy competition teaches resilience and perseverance which prepares youth for real-life situations. Exhibiting livestock teaches kids the importance of showmanship, learning at an early age how to win and lose gracefully.
- **Financial Sense.** It's no secret, showing livestock is an expensive hobby. Youth raising livestock learn about investments, record keeping, and how to finance their project.
- **Leadership.** Youth organizations and breed associations are great options for young people to become leaders, improve their experience, and grow in the industry of their involvement. A large percentage of youth who grew up showing livestock will become the agricultural leaders of the future and hold careers in agriculture.
- **Relationships.** Relationships made showing livestock can be one of the greatest assets gained. The friendships made are built off of shared common interests and the competitive natures in the show ring. They often are lifelong and extend way past the show ring.

Showing livestock requires a lot of hard work and dedication but is rewarding in many ways. Raising livestock teaches several life skills and lessons that cannot be learned anywhere else. As youth get older, they will be thankful for those summers spent with their animals, the memories made, and the friendship that will last a lifetime.

UMN Extension Ag Intern*

Please join us in making an investment in a Modoc County 4-H or FFA member's future.

There are three ways you can help:

- ♦ **Outright Purchase.** If you want to buy an animal outright, the Junior Show Board will have the animal delivered to a processing plant of your choice.
- ♦ **Purchase and Resell.** Buyers can purchase an animal for a premium and the animal is resold at market price. A "Resale Buyer" will pay the market price and the Exhibitor receives full price for their animal.
- ♦ **Buyer's Pool.** You may provide a cash donation to the Buyer's Pool. Your money will be combined with others in the "Pool". Funds from the "Pool" are used to purchase an animal for resale. This donation can be as little as \$10.

You don't have to be present at the Junior Livestock Sale to participate...

Qualified buyers are available to buy an animal on your behalf at the Sale. Buyers will follow your instructions and limits. If you would like more information, please contact the number below:

Jr. Show Board Office 530-233-6400

Our sincere thanks & appreciation!!!
