3. Market swine will be graded and ribbons awarded as indicated.  
 MARKET READY - US No 1 and No 2 market swine of average or greater conformation and acceptable in leanness, muscularity and production traits are eligible to sell. Market ready animals will be broken down into Group 1 (Blue Ribbon) and Group 2 (Red Ribbon) by the judge based on quality of the animals for sale purposes only.  
 NOT MKT. READY - Any market swine of below average conformation including US No 3, No 4 and utility grade animals are not eligible to sell (White Ribbon.)

4. Feeder swine class—open to all market swine weighing **65 to 204** pounds. Animals not originally intended for sale at the Junior Livestock Show do not need to be tagged. Animals that do not make weight can enter the feeder class Wednesday evening after weigh in is complete. Entry fee must be paid at that time.
5. The 1<sup>st</sup> and 2<sup>nd</sup> place market animals in each section must return to be judged for Grand and Reserve Champion.
6. It is the exhibitor's decision to clip a market hog to improve its appearance for showmanship. If an exhibitor elects to clip his/her hog, current market guidelines suggest leaving the hair at least ½ inch in length to facilitate processing. Clipping (Optional) must be done prior to weigh-in.
7. Animals will be allowed to be decorated for the sale but must be cleaned by the exhibitor before the animal is shipped or exhibitor will be charged a fine of 15% of their sale amount.
8. Exhibitors of all breeding animals must own their animal/s at least 60 days prior to the show or be the breeder of the animal.
9. Breeding animals may arrive and leave the day they are to be shown.
10. Registered and grade breeding animals will be shown in the same class. The 1<sup>st</sup> and 2<sup>nd</sup> place breeding animals in each section must return to be judged for Grand and Reserve Champion.
11. All swine breeding projects are to arrive on Thursday and leave after completion of breeding classes. They are to remain housed in trailers while not in the show ring; this is to avoid any transmission of disease to your breeding project.
12. Market Swine classes will show on Thursday starting at 8:00 am, beginning with Heavy weights then corresponding weight classes to follow. Breeding Swine classes will begin following the last market
