8/23/15	L	4	Our group had Swim Party at Mary Hughes's house. We all discussed things about bylaws, and the calendar plans for this 4H year. We are hoping to get donations from the ag community so we can have healthy snacks.
8/26/15	L	2	Rm # 15 Worked on MCF Booth Table Decorations.
10/5/15	L	2	Rehearsal for 4-H Awards Banquet at Del Rey Cafeteria. We all practiced the names that we had trouble pronouncing. I read outstanding Jr. member award. I also presented 100% attendance awards. We all shared minute to win it game ideas and talked about who we could contact for donations for healthy snacks for our meetings. Lastly, we were given the task of finding two poems we liked for Veterans Day and told to bring them printed out to our next Leadership meeting.
11/9/15	L	2	We met at the staff lounge at Del Rey School. We worked on getting the Veteran's Day poems ready. All of us had to have their two poems printed prior to the meeting, and then we laminated them after we glued them onto big red and blue paper. To end the meeting we attached them to old electoral wire frames that way we could plant them in the ground in the cemetery on Veterans Day.
11/11/15	L	2	We met at the Cemetery and Mrs. Dominguez taught us about Veterans Day. She told us we shouldn't confuse the day with Memorial Day. She told us many people have sacrificed their lives for us. Mrs. Dominguez's dad was a World War 2 Veteran. We listened to poems, recited some together, then

			we each read our poems out loud before we each searched the cemetery for war Veterans grave sites. When we each got to pick two sites to place our poems. It was interesting to look at all the grave site markers. I got to see a lot of people who were in the Vietnam war, World War 1 and World War 2 too. Next time I think it would be nice to also place a small flag along with our poem.
12/21/15	L	3	We had a Cookie exchange. We each had to bring cookies to the meeting and from there we each put together a plate with two of each cookie that was brought to the meeting. Mary made some caramels and we also put chocolates on the plate before wrapping it up nicely. When we finished we each wrote thank you letters to some of our local businesses while drinking hot chocolate. When we finished we delivered them to thank people. Mary and Allison Hughes drove us around town to drop the cookies off at, KRKC, L.A Hearne Company, Del Ray Cafeteria, St. Johns Church, KC Rustler, and Wells Fargo. I learned it's important to thank people because then they will feel appreciated and will hopefully continue to help our club.
2/29/16	I	2	I attended the Beginning 4-H meeting to practice my presentation but as I waited for my turn I had the chance to be a junior judge for some of the presenters who were getting ready to compete at County Presentation Day.
4/1/16	L	4	Our club organized a leadership paint day at the Rec Center. We invited club officers from Lockwood 4H and King City Rural too. Together we painted pigs on a canvas as our leadership project. I had a LOT of fun painting the pigs. I painted my pig just like the one I am raising for the SVF, I even did the exact ear notches that my pig had which was 88-1 and she's a blue Hampshire cross.
6/10/16	L	1	We held a meeting to go over our record keeping for the year, so we made sure we all had the right dates in case we lost track of some. We also got a copy of all the pictures that were taken if we were in them.

**If another member was thinking about taking this project next year, what would you tell them about what can be learned in this project?**

Being an officer is a lot of work. You would have to be on time or earlier for all meetings, and you also have extra meeting you have to attend. You also have to be able to speak loudly and without fear in front of all the members in the club sometimes. If you have my position of Historian, you have to make a scrap book and take pictures at all the events so the club has a record of what it did that year.

I have personally prepared this record with the following information:	
4-H Member's Signature: [Redacted]	Date: 7-31-16
I have personally reviewed this record with the following information:	
4-H Adult Partner's Signature: [Redacted]	Date: 7-12-16
