11-19-15	L	2	<p>Today was our first meeting for Fun-in Front and it was held at the Wasson house. To practice our public speaking skills, we each read a book to the members of the project. This helped us project our voices so we could be heard. It also helped us speak slowly and clearly. After everyone had finished reading their books to the project, we decided what we wanted to do our presentations on. I knew I wanted to do something about the 4-H hat and the pins on it. I wanted to do something like that because my mom was the record book leader. Over the summer she had me sort all of the pins our club has and it was really neat to see them all. I noticed some pins I had never seen before and it made me want to know more about pins. Some ideas that I came up with for my presentation are a "how-to" on where to put pins or a more informative talk about the history of pins and hats. Mrs. Wasson had an idea that the older members do a different type of presentation. We decided that an Illustrated Talk would work best, so I could talk about both aspects of the hat and pins. I am really excited to learn more about 4-H through this project!</p>

12-10-16	L	2	<p>We had our second meeting at the Wasson house today. At the beginning of the meeting we went over what we were going to do for our upcoming skit. We decided to do a Christmas themed skit because of the upcoming holiday. We decided on a "Cowboy Christmas," a skit where Santa loses his reindeer and asks some local cowboys for some help. I am going to play a longhorn with Emma Horton. We will be in the stable, and Santa will later use us to fly his sleigh. It is a really cute skit and I know the club will love it! Later, we did a really rough run through with our boards. Everyone was given advice on how to make their boards look better and make their presentations run smoother.</p>
2-5-16	L	2	<p>(Make-up meeting) Today we had our Club Presentation Day. This day was made to encourage kids besides the ones in the fun in front group to go to County Presentation Day. Everyone had a chance to give their presentation, be a judge and be a room monitor. I had a chance to give my presentation and really learn what I need to improve on before County Presentation Day. I also had the chance to be a judge for one other presentation. I loved the experience because I have been thinking about being a junior judge if I don't have time to do a presentation one year. I feel that this was a great learning experience for everyone who came and I hope that this event will become a regular event in our 4-H.</p>
3-1-16	L	2	<p>Today was our final meeting before County Presentation Day. We had our final run throughs without stopping. I was told to slow down, because when I get nervous, I tend to rush. I am really nervous for County Presentation Day because I have a lot of set backs this year and I am not one hundred percent sure of what I have to say yet. I have to practice a lot when I get home and tomorrow before County Presentation Day.</p>
3-4-15	C	4	<p>(Make-up meeting) Today was County Presentation Day. I was really nervous that I was going to have long pauses in between what I was going to say. I was also nervous about the question section because you never know what the judges are going to ask. I ended up getting a 23, 24 and 25 from the three judges. I was surprised, because personally I felt that I did not do that well.</p>

If another member was thinking about taking this project next year, what would you tell them about what can be learned in this project?

If another member was thinking of taking this project next year I would tell them that this project is great at helping your public speaking and there are a lot of opportunities to put things in your record book.

I have personally prepared this report and believe it to be correct.
