

WELCOME TO THE UNIVERSITY OF CALIFORNIA AGRICULTURE AND NATURAL RESOURCES

RESIDENTIAL LANDSCAPE GARDENING OPENHOUSE & VENDORFAIR

Thank you for joining us at the UC ANR South Coast Research & Extension Center!

We are excited to share with you an array of gardening practices that help to conserve and protect our water resources. Visit with vendors, tour the demonstration landscapes on your own or with one of our highly trained UC Cooperative Extension Master Gardeners, or listen to one of our expert speakers and discover gardening methods that reduce landscape water use - practices that ultimately save you money and improve the health of our local water resources.

SPEAKERS

All presentations will take place in Classroom C.

- 9:30 am** Arboretum Allstars: Top Picks for Orange County Gardens - Karrie Reid, UC Cooperative Extension San Joaquin County
- 10:30 am** Easy as 1, 2, 3: Pest Control and the Disease Triangle Simplified - Dr. John Kabashima, UC Cooperative Extension Orange County
- 11:30 am** Landscape Websites - Nathan Adams, Irvine Ranch Water District
- 12:30 pm** Preserving the Season's Bounty - Cinda Webb, UCCE Orange County Master Food Preserver

PLANT SALE FUNDRAISER

Browse a colorful selection of plants - including some species featured in our landscapes! All proceeds to benefit the South Coast Research and Extension Center community outreach activities. Plants courtesy of California Center for Urban Horticulture and UCCE Master Gardeners.

Cash and check donations only please.

*** Sorry, no credit cards! ***

DEMONSTRATIONS

These demonstrations will take place throughout the day.

Portable Self-watering Vegetable Garden Containers - Learn how to create a portable vegetable garden perfect for small spaces with Dave Freed, UCCE Master Gardener of Orange County.

Irrigation Demonstration - Learn about current irrigation products with WaterDex, Hunter, Hydroscape, and Motorola.

UCCE Master Composters - Unearth techniques for turning yard waste into black gold.

Garden Tool Sharpening - OC Blacksmiths is offering free tool sharpening (one tool per family). Donations welcome!

Fruit Tasting - Sample delectable varieties of fruit grown at the South Coast Research and Extension Center.

Children's Activity - Plant seeds with UCCE Master Gardeners!

Landscape and Orchard Docent Led Tours - Take a garden adventure through our landscapes and orchard with trained UCCE Master Gardener Docents. Learn about low maintenance plant selection, low water use irrigation, driveway alternatives that reduce runoff, and trees for the home landscape.
