By Bailey Berschens: Happy Sundowners 4-H

I showed at the El Dorado County Fair in June and won 1st place in novice cavy showmanship with my pet cavy "Ollie" so I was able to go on and show at the State Fair. On July 17th, 2015, I had the opportunity to go the state fair with my guinea pig "Sweethart" thanks to my 4h Leader Melodye Alicia for Sweethart a pedigreed Teddy cavy to me to use, it was so fun!!!

I got to meet new friendly people that were cavy breeders and I got to do 4-H showmanship with my guinea pig. I may not have gotten 1st, but it was fun trying!

The people at the fair were really friendly and nice, I helped this one lady Cathie Ellen Heinrich Paradise Caviary fill up her water bottles for her 20 cavy at the show and in return she gave me one of her purebred guinea pigs! I realized how much I enjoyed showing and that I could still do this when I’m not in 4-H, I could do it in open show. There were 3 categories; 4-H, FFA, and Open. FFA, Future Farmers of America, and Open was anybody with a cavy could join.

I had a really nice experience and I might be a cavy breeder later in life. I will definitely be going to state fair again, and it was held indoors with air conditioning so we got out of the heat.

My friend, Meiko D. is the president of our club (left) and I Bailey B. am the Vice President (right) and we were recently featured in the news with our show animals and it was a really neat experience.

New senior members as of July 1, 2015 will be able to purchase a white hat from Leslie Carman until December 31, 2015 and may continue to use their white hat for the remainder of their 4-H career. Volunteer Management Board minutes

8.18.2015 7:00 PM Placerville 4H Office

Meeting called by Trish Sweeney Board President

Type of meeting Board Meeting

Facilitator Vera Allen

Note taker Misty Polasik

Attendees

Trish Sweeney, Denise Veffredo, Vera Allen, Misty Polasik, Miriam Stephensen, Alex Stephensen, Sharon McLaughley, Ben Hicks, Mary Jordan.

Vera Allen

Discussion Vera is creating a new page on the 4H website that will include all club reports. Club reports will include information on who can sign on each account, the youth treasurer for clubs, club meeting dates, a page for the management board, Program board, and a link to “rate” the county 4H website and provide feedback. Vera handed out the 4H Steps to Success, outlining the new UCCE policies for project, club, and 4H event participation. The TSC fundraiser held October 7-18 helps fund 4H programs including camp. The fee waivers are no longer paid by the paper clover TSC fundraising campaign. Enrollment is a Management board responsibility. All fundraising must now obtain approval from Scott Oneto prior to organizing the event, and Complete a fundraising request form available in the 4H office. In October Vera will be teaching a new project volunteer training and 3-hour orientation. These orientations will take place once per month in each county.

Additional funding / budget information: Vera will provide enrollment numbers and information on the number of fee waivers after the October re-enrollment deadline. In 2014, 32 youth requested waivers, and currently EDC 4H has 79 active members, 49 pending, and 18 adult volunteers in the system. We will need a new location for the Color Me Green fun run, and a committee to set up and run the event. Misty suggested looking into the Walkamatsu property to host the run, and Vera mentioned the area around Red Hawk has been expanded and she has some contacts to possibly hold the event on site.

The budget was discussed, including the youth savings line item and it was clarified that all youth 14 years of age or older working a shift at the Chuckwagon to earn scholarship money ($50 per shift) must be applied toward camp or the youth Leadership retreat. If unused, the youth cannot request a check when they age out of 4-H. It is scholarship money to be used to offset costs to attend 4H events, it is not a salary to be paid in cash to the youth member. If unused it will revert to the 4H Program account to fund programs or camp. $1,600 of Ironstone funds will be given to 4-H camp costs.

Some of our 4-H campers this year are new to 4H, the UCCE staff will be reaching out to those kids and invite them enroll in a 4H Project and learn more about 4H.

New Clubs: Vera approved the formation of two new community clubs: the Hangtown Gold club in downtown Placerville to be led By Gary and Bonnie Bayard, and another Rescue club called the Foothill Grizzlies. The Foothills Grizzlies will meet at the same
Location as Rescue Up N Comin, on different days. These two new clubs are pending approval of bylaws and their constitution.

Also, the new community club leader for the Shingle Springs club is Claudia Jachens. New community clubs only need 5 members

From three different families to meet the enrollment requirement for additional clubs. We now potentially have 15 community clubs.

Shooting Sports: UCCE Central Sierra will have a shooting sports instructor that will be certified to train project leaders in our four Counties. The UCCE is also looking at applying for a grant from the El Dorado NRA to sponsor this new project, and provide opportunities for shooting sport instruction for the region.

Trish Sweeney

Discussion

The board is looking forward to receiving the bylaws from Vera, and the status of approval from the State office. The board also is seeking to clarify the Board's role, and discuss a rotational opportunity by limiting board terms to 2 years, each office position up for election in October at the conclusion of the 2-year. We discussed modeling this opportunity with the LAC and program boards, providing more opportunity for other volunteers to serve on leadership boards by opening up positions with 2-year terms.

The Management board will meet on the same day at the community club leader meetings.

Currently there is a deficit in the L account (enrollment account) from camp. 4H enrollment is $40, and $38 goes to the UCCE State Office, $2 comes back to EDC 4H. The board discussed fundraising and clarifying roles and responsibilities.

August 25 is county record book judging, and Vera handed out a list of EDC 4H important dates through December 2015.

Discussion Shawna Reed offered to serve as the management board treasurer. Trish will help train.

A motion to approve Shawna was made by Sharon and a second from Alex. Sharon was voted unanimously as the new management board treasurer.

Management board

Discussion

The board is looking forward to receiving the bylaws from Vera, and the status of approval from the State office. The board also is seeking clarification about fundraising opportunities, including grants, and whether we can accept credit cards as payment for bake sales. The fundraising completed last May at round up netted $1,500 that is not yet designated to any particular program area. There was discussion prior to the bake sale and silent auction that the project that volunteered to do the recruiting, set up, decorating, and clean up could apportion 20% of the fundraising revenue toward that project or projects. This was established by Tracy. Tracy Celio is also running the Science, Engineering, and Technology project this year for the county.

It was discussed how to fundraise as a management board, and reaching out to the El Dorado Co Farm Bureau would be beneficial.

Trish mentioned setting up a booster club for the board, and reaching out to 4H alumni and 2nd generation to help raise funds.

Meeting Adjourned at 9:07 pm, motion by Alex.
Leadership Opportunities: Open Positions on Management and Program Boards:

Adults and teens, do you have a skill and a few hours a month to offer 4-H? Do you want to help guide the county program to be the very best? There are open positions on the board needing to be filled. Please contact Vera if you are interested in finding out more about board participation. At the county level El Dorado County 4-H is governed by two boards: a Management Board and Program Development Board.

- Board members have a specific focus, allowing youth or adult volunteers to spend their time where their interest lies. Each management and program development committee has a job description and term of appointment, so volunteers know exactly what they’re signing up for and when their commitment ends.

- Board members are appointed through an application and selection process rather than by election. From livestock to resident camp to fund development, youth and adults will work as a team to orchestrate their project. Job descriptions are posted and advertised, both in 4-H and also to the greater community.

- County boards offer youth adult partnership and committee leadership with a budget and the authority to do their job. UC 4-H staff support our volunteers who lead management and program development committees. This allows all El Dorado County 4-H programs—our clubs, camps, and other efforts—to connect through periodic management board and program development board meetings.

4-H Management Board Committees
The management side of our county structure develops and monitors financial resources; works to increase our visibility in the community; handles recognition of youth, volunteers and supporters; and measures and shares our program’s impact. The following volunteer positions make up the Management Board:

- **Board President**: Trish Sweeney, Southside Topnotch parent
- **Finance Management**: Shaunna Reed, Southside Topnotch parent
- **Recording Secretary**: Open position
- **Resource Development**: Open position
- **Visibility Outreach**: Misty Polasik, Gold Hill Toppers parent
- **Awards and Recognition**: Mary Jordan, Southside Topnotch parent and Alex Stephenson, Square Shooters
- **Mediation**: Sharon McGaughey, Takin’ the High Road club leader and Ben Hicks, Southside Topnotch
4-H Program Committees
Members of these committees work to run and improve their specific program, overseeing operations like Round Up, camp planning, and Record Books. Often, this is the area of passion for 4-H youth and volunteers. The Program Development Committees are:

- **Events Chair:** Open position
- **Camp Chair:** Bob Granade, Rescue Up N' Comin and Deanne Repetto, Southside Topnotch
- **Livestock Advisory:** Darla Edwards, Gold Hill Toppers
- **Record Book:** Kerri Schnetz, Dusty Dividers and Susan Wise, Southside Topnotch
- **Science, Engineering & Technology (SET):** Jacob Gray, Latrobe Outlanders and Lorraine Larsen- Hallock, Latrobe Outlanders
- **Service Learning:** Open position
- **All Stars:** Deanne Repetto, Southside Topnotch
- **Youth Leadership:** Julie Winter, Southside Topnotch
- **Volunteer Development:** Open position

Each Program Development Committee has a chair. Committee chairs will propose their budget, run their committee meetings, and manage the operations in their specific area. As members of the Program Development Board, they connect and problem-solve with other committee chairs who work in other programmatic areas, creating a team that oversees all 4-H programs in the county.

**NEXT VOLUNTEER MANAGEMENT BOARD MEETING:**
September 15th 2015 • 7:15 pm
UCCE El Dorado County 4-H Office • Conference Room
**I pledge my...**

**HEAD**  to clearer thinking,

**HEART**  to greater loyalty,

**HANDS**  to larger service,

**HEALTH**  to better living,

for my club, my community, my country, and my world.
