

SUCCULENTS & CACTUS INFORMATION

Organizations of Interest:

- <http://www.sacramentocss.org> Sacramento Cactus and Succulent Society meets monthly on the 4th Monday at 7 pm in downtown Sacramento. Great group that has a lot of very experienced people as resources. Everyone who loves succulents or cactus is invited.
- <http://www.ccandss.com> Another great group of cactus & succulent lovers that meets in Carmichael the first Thursday of the month at 10 am. Informative programs are offered monthly and lots of knowledgeable people to answer your questions.
- <http://cssainc.org> Cactus & Succulent Society of America website. Not a lot of growing information but lots about the society.

Arboretums with Good Examples:

- <http://www.huntington.org/gardens/> Pasadena garden containing an incredible display of older plants
- www.ruthbancroftgarden.org Ruth Bancroft Garden is a beautiful nonprofit garden to visit in Walnut Creek. They offer plant sales, classes and beautiful examples of what you can grow outside.
- <http://arboretum.ucdavis.edu> Great local resource has a Desert Garden.
