

## UCPath Is Here

### >Important Links to Get Ready - **Take these 3 steps:**

**1** [Enroll in Duo](http://anrcs.ucanr.edu/isc/MFA)  
<http://anrcs.ucanr.edu/isc/MFA>

Enroll by February 13 to ensure access to UC Davis systems, including Time Reporting and AggieTravel. Duo is the new multifactor authentication security technology being implemented at UC ANR, UC Davis and many other campuses.

**2** [Update your home address](https://atyourserviceonline.ucop.edu/ayso)  
<https://atyourserviceonline.ucop.edu/ayso>

If you receive paper paychecks, it is important to make sure your home address is correct by February 27 since you will receive your paycheck by mail. Paper paychecks are sent by the U.S. Postal Service and will arrive after payday.

**3** [Sign up for direct deposit](https://afs.ucdavis.edu/our-services/payroll-services/employee-resources/enroll-change-direct-deposit.html)  
<https://afs.ucdavis.edu/our-services/payroll-services/employee-resources/enroll-change-direct-deposit.html>

**Go paperless!** Enroll for direct deposit and your paychecks will be automatically transferred into your bank account on payday. If you already have direct deposit for your UC paycheck, it will continue in UCPath.

### >What is UCPath?

#### Standardized Processes

UCPath is a systemwide business transformation launched by the University of California to modernize its payroll and HR system.

#### New Technology

UCPath is built on the Oracle PeopleSoft platform that aligns payroll, benefits, and personnel transaction processing across all UC locations.

#### Shared Services

The UCPath Center is the hub for processing payroll and providing dedicated customer service support to all employees.

UCPath helps employees work more efficiently providing self-service access to their own personal, job and benefits information.
