SkillsUSA Creed

I believe in the dignity of work

I hold that society has advanced to its present culture through the use of the worker's hands and mind. I will maintain a feeling of humbleness for the knowledge and skills that I receive from professionals, and I will conduct myself with dignity in the work I do.

I believe in the American way of life

I know our culture is the result of freedom of action and opportunities won by the founders of our American republic, and I will uphold their ideals.

I believe in education

I will endeavor to make the best use of knowledge, skills and experience that I will learn in order that I may be a better worker in my chosen occupation and a better citizen in my community. To this end, I will continue my learning now and in the future.

I believe in fair play

I will, through honesty and fair play, respect the rights of others. I will always conduct myself in the manner of the best professionals in my occupation and treat those with whom I work as I would like to be treated.

I believe satisfaction is achieved by good work

I feel that compensation and personal satisfaction received for my work and services will be in proportion to my creative and productive ability.

I believe in high moral and spiritual standards

I will endeavor to conduct myself in such a manner as to set an example for others by living a wholesome life and by fulfilling my responsibilities as a citizen of my community.
