

Join UC Cooperative Extension
& Irvine Ranch Water District for the

4th Annual Residential Demonstration Landscape Open House & Vendor Fair

at UC ANR's South Coast Research & Extension Center

7601 Irvine Blvd
Irvine, CA 92618

FREE ADMISSION

FREE ADMISSION

**SATURDAY, SEPTEMBER 29, 2012
9 AM-2 PM**

FUN FOR THE WHOLE FAMILY!

- Explore the landscapes and see how you can incorporate low water use plants in your landscape.
- Visit with various gardening industry vendors and water agencies to learn about various methods which will help you reduce landscape water use and ultimately save water!
- Check out the various demonstrations happening throughout the day focusing on topics such as composting, irrigation, and container planting.
- Taste exotic fruit grown at the UC South Coast Research and Extension Center.
- Children's gardening and water education activities with the UCCE Master Gardeners.
- Random opportunity drawings held throughout the day for a chance to take home one of the many gardening gifts.
- Attend presentations by University of California researchers and landscape aficionados.

Check online as the event approaches for a schedule of presentations and activities.
