

Join UC Cooperative Extension
& Irvine Ranch Water District for the

4th Annual Residential Demonstration Landscape Open House & Vendor Fair

at UC ANR's South Coast Research & Extension Center

7601 Irvine Blvd
Irvine, CA 92618

FREE ADMISSION

FREE ADMISSION

SATURDAY, SEPTEMBER 29, 2012
9 AM-2 PM

FUN FOR THE WHOLE FAMILY!

- Explore the landscapes and see how you can incorporate low water use plants in your landscape.
- Visit with various gardening industry vendors and water agencies to learn about various methods which will help you reduce landscape water use and ultimately save water!
- Check out the various demonstrations happening throughout the day focusing on topics such as composting, irrigation, and container planting.
- Taste exotic fruit grown at the UC South Coast Research and Extension Center.
- Children's gardening and water education activities with the UCCE Master Gardeners.
- Random opportunity drawings held throughout the day for a chance to take home one of the many gardening gifts.
- Attend presentations by University of California researchers and landscape aficionados.

Check online as the event approaches for a schedule of presentations and activities.

WELCOME TO

The University of California Cooperative Extension and Irvine Ranch Water District's Demonstration Landscape Open House & Vendor Fair

Discover gardening practices to protect and conserve our water resources by visiting with vendors, touring the demonstration landscapes alone or with one of our highly trained UC Cooperative Extension Master Gardeners, or listening to one of our expert speakers while learning about methods to reduce landscape water use that will ultimately save you money and improve the health of the local water ways.
