

Sponsorship Opportunity: California 4-H Horse Classic

The 16th Annual California 4-H Horse Classic takes place June 26-30th at the Brookside Equestrian Park in Elk Grove. The Classic will again be one event dedicated to over 3,000 4-H horse project members statewide. We invite everyone to join us in sharing a passion for horses. Participation has continued to increase and as 2013 is California 4-H's centennial year, the Horse Classic will be in celebration mode this June! Over 500 youth and adults will be in attendance.

The State championship horse show provides the opportunity for 4-H riders to compete at a level beyond local, county or regional events, while the educational contests allow members to showcase their equine knowledge. This one event continues to build networks between counties with a common interest in strengthening 4-H equine education and establish new friendships between 4-H members and leaders.

The goals of the CA Horse Classic are to:

- Encourage networking between counties to build leadership with a common interest
- Provide opportunities for youth statewide to share their passion for horses
- Participate in social and educational programs by being a participant, not a spectator
- Experience and develop greater personal growth
- Continue to develop leadership, citizenship, and speaking skills
- Share personal experiences with others through meaningful growth and development
- Promote good sportsmanship
- Provide a unique opportunity for horse project members to compete on a level beyond the county, district or regional basis
