WELCOME

Dear Exhibitors,

Welcome to the Eighteenth Annual California 4-H Horse Classic at the Brookside Equestrian Center in Elk Grove (south of Sacramento). This is a program dedicated to 4-H members state-wide. WE INVITE EVERYONE TO BE A PART OF THE FUN!

The primary purpose of the Horse Classic is to create a forum where 4-H Horse Project members can display their equine knowledge in a variety of ways while participating in an exciting and fun educational experience. The secondary purpose is to provide senior Horse Project members with an opportunity to represent the State of California at the Western Nationals 4-H Horse Classic in Denver, Colorado. This year 28 states and 1 Canadian province were represented at the Nationals (approximately 1,000 senior youth attended the event.) California has consistently placed well overall each year, this past year California was placed 4th overall. We have a great group of kids representing us each year - why not YOU?!!

As you can see by the Supervisor's list, the organizing committee consists of many volunteers. Please take the time to thank them for their generosity. Without them, there would be no Classic. This year marks the third year of us bringing the horse show and educational contests back together at one event. With your help, we can make 2014 even bigger and better!

We welcome everyone to participate in the Educational Events (even if you don't know what they are - give them a try and you may surprise yourself!), share the information with fellow members, and get them excited about the 4-H Equine program.

We very much look forward to seeing each and every one of you in Elk Grove this year!!!

California State Equine Committee

You can also slip off your hunt coat, and add a bright Western scarf over your ratcatcher shirt.) There is a two-minute time limit for the change, which adds to the excitement! HORSE SHOW RULES

Eligibility:

1. Contestants must have won a 1st, 2nd, or 3rd in the same class at a State Classic Qualifying Show to be eligible to enter the Championship Horse show. All County Fair, District Fair, Regional Fair, Citrus Fair and State Fair 4-H Horse Shows qualify for this Championship show. In addition, shows designated by the County Youth Advisor and/or County Horse Resource Leader will also qualify. Each county may have a maximum of 3 qualifying shows. The qualifying period for this show is: **June 3, 2013 to June 8, 2014**. For purposes of clarification, the qualifying period shall be what we refer to as the current Horse Show Year. The horse shown must be the member's project at least 120 days prior to the show (February 25, 2014) but need not be owned by or registered to the exhibitor (i.e., leasing of horses is acceptable).
2. **In the case where a county horse show does not hold a class (i.e. Equitation Medal class), an exhibitor who has qualified (1st, 2nd or 3rd) in their division Equitation class may also enter the Medal class. Likewise if a county show combines divisions so the exhibitor doesn't compete in their division but instead in a combined division (i.e. Pony rider riding in a Junior class), again, if that exhibitor qualifies they may ride at State Classic in their correct division.**
3. ***In the case of showmanship, please note that English Showmanship and Western Showmanship are different classes and must be qualified for separately.***
4. Entry Deadline: June 9th Overnight mail or personal delivery may be necessary if your show date falls to close to the entry deadline. No Horse Show post entries accepted. Entries may be made online: <http://ucanr.edu/classic-horse-show-registration>
5. The horse shown must be the member's project at least 120 days prior to the show but need not be owned by or registered to the exhibitor (i.e., leasing of horses is acceptable.) Exhibitors shall show in their respective divisions based upon their age as of January 1, 2014 regardless of their age at any particular qualifying show. Juniors will be defined as 13 years of age or under as of January 1, 2014. Seniors will be defined as 14 years but not yet 19 years of age as of January 1, 2014. Pony Division exhibitors are based on the height (14.2) and breed of the animal rather than the age of the exhibitor. All Ponies will be measured at the show each morning. Once your pony has been measured at this show it is not necessary to have it measured again at this show. If any pony measures taller than 14.2 they will be placed in appropriate age bracket. A Miniature horse is defined as being 38" and under.
6. The judge may refuse to discuss a decision with anyone unless the individual first requests permission from show management. Show management will only give permission for judges to discuss with riders a decision upon the completion of the day's classes to be judged.
7. The rider will be disqualified from all remaining classes and previous points won will NOT count towards the high point awards if the following occurs:
 - Deliberate failure of the rider to immediately leave the arena when so instructed by the judge, or;
 - Use of offensive language or unsportsmanlike behavior, or;
 - Harassment of the judge, show management and/or fellow competitors.
8. Any protest must be submitted in writing within two hours of the alleged violation and be accompanied by \$100 cash deposit. The protest must be specific and state one or more proposed solutions to the situation. The protest will be discussed and a final decision will be made by the State 4-H Advisory Committee within 24 hours after submission to the show office. The deposit will be returned if the protest is upheld. Protests will be considered only if there has been a violation of stated rules. The decisions of the judges, veterinarians, and timers cannot be protested and are final. 4-H rules stated in this information overrides USEF, California Gymkhana Association and AMHA rules.
9. 4-Hers must wear an equestrian helmet which meets ASTM/SEI standards while mounted at all times, i.e. during classes, practice areas, and pleasure rides. If a helmet is not worn, the rider will be disqualified from all remaining classes and previous points won will NOT count towards the high point awards. There will be no appeal process.
10. Appropriate Attire Recommendations:

Adults may assist the member when necessary for **safety** purposes. **No adult may mount a 4-H project horse to school, prepare for a class or ride for pleasure** (In the event an exhibitors horse must be used as a fill-in for the judging contest or for the dollar bill bareback class an adult would be allowed to ride said horse for contest but "schooling" will not be allowed). (Disqualification consists of withholding ribbons or awards, elimination from further competitions and removal from the show grounds.) It is strongly encouraged that older, more experienced 4-H members help younger, less experienced members.

 15. Horses that are owned or leased as a joint project may be shown but may not enter the same age level categories or in any class that has show time conflicts. No more than 2 exhibitors per horse.

Sponsorship Opportunity: California 4-H Horse Classic

The 17th Annual California 4-H Horse Classic takes place June 25-29th at the Brookside Equestrian Park in Elk Grove. The Classic will again be one event dedicated to over 3,000 4-H horse project members statewide. We invite everyone to join us in sharing a passion for horses. Participation has continued to increase, over 500 youth and adults will be in attendance.

The State championship horse show provides the opportunity for 4-H riders to compete at a level beyond local, county or regional events, while the educational contests allow members to showcase their equine knowledge. This one event continues to build networks between counties with a common interest in strengthening 4-H equine education and establish new friendships between 4-H members and leaders.

The goals of the CA Horse Classic are to:

- Encourage networking between counties to build leadership with a common interest
- Provide opportunities for youth statewide to share their passion for horses
- Participate in social and educational programs by being a participant, not a spectator
- Experience and develop greater personal growth
- Continue to develop leadership, citizenship, and speaking skills
- Share personal experiences with others through meaningful growth and development
- Promote good sportsmanship
- Provide a unique opportunity for horse project members to compete on a level beyond the county, district or regional basis
