### WHAT IS FIELD DAY, AND HOW CAN I PARTICIPATE?

Field Day is a county wide event held each spring and is open to all 4-H members. Field day consists of a judging contest, an identification contest, a poster contest, and 4-H presentations.

Field Day will be **Sunday, March 6th at 1:00pm**  
**at Home Street Middle School's Multipurpose Room.**

We will start the day with the judging contest. All youth are able to compete in the judging contest and do not need to pre-enter. Judging contests help youth to sharpen their critical thinking skills by ranking and comparing items.

Youth participating in the Poster Contest and Presentation part of the day will need to pre-register by completing the included entry.

Continued on the next page.

Judging Contest winners: Chloe Felgar, Riley Phillips, Blake Phillips, Trent McGraw, and Will Kemp hold their certificates proudly.

## FIELD DAY CONTINUED

The Poster Contest is where 4-H member get to show off their creativity and 4-H pride.

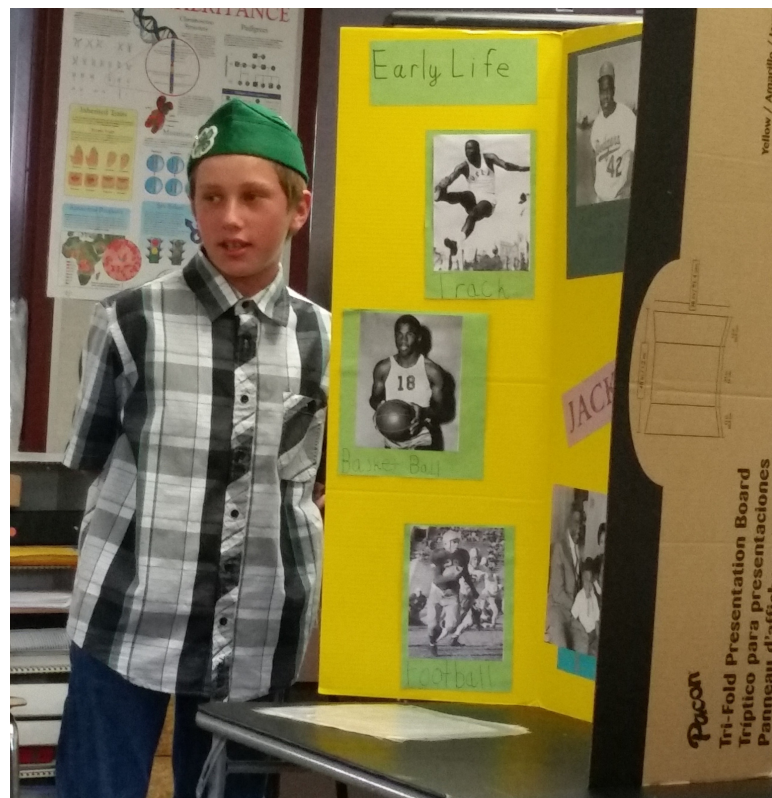

This year's theme for the poster contest is:  
**The 4 H's and how they make my life better.**

Youth must follow the criteria listed in the Poster Contest Entry form.

4-H Presentations are a cornerstone of the 4-H program. Youth show what they have learned or what their spark is through talks, demonstrations, speeches and more. Public speaking prepares youth for college and the workplace. 4-H has create specific guidelines for youth presentations. Those guidelines can be found at <https://4h.ucanr.edu/files/2193.pdf> Or by youth coming to a Presentation Workshop.

After the judging contest, we will move to the presentation part of the day, then come back together for awards.

We will need volunteers to make this event a success, if you would like to help please email your club leader or Callie at [cjpeek@ucanr.edu](mailto:cjpeek@ucanr.edu)

Kaleb Brooks, of Sierra Crest 4-H Club, presenting his Educational Display.

## New Project: Growing Oyster Mushrooms

This short term project should be a lot of fun. We will be reaching out to members that joined the Garden Project first, then it will open up to all others. Project has 14 spaces.

**Date: March 6, Pick-up your kits at Field Day.**

Followed by a zoom meeting with instructions.

Mini Members are welcome, but will need a parent helper for the project.

Email Melissa to join. [melyeager@ucanr.edu](mailto:melyeager@ucanr.edu)
