## WHY IS 4-H HELPING MULE DAYS SO MUCH?

Community service is a cornerstone of 4-H's framework. Mule Days is a community event that brings thousands of visitors to our area, and many of our businesses are dependent upon those visitors. Our local businesses support our 4-H program through out the year.

We have been partnering with Mule Days for 8 years to sell their magazines along the parade route. Mule Days splits these magazine sales with 4-H.

Mule Days generously donates to the 4-H program for putting magazines in the local businesses and helping with the clean-up after the event.

Most importantly, Mule Days needs our help to make their event a success.

## Baking Project gets their hands dirty.

## 4-H RECORD BOOKS... WHERE TO START.

BY CALLIE PEEK

4-H Record books can be very intimidating to start. But I promise they are not as bad as they are rumored to be.

Record books are required for youth 9 and older showing an animal at the Jr. Livestock Show. Record books are required for members to be members in good standing, and for members wanting to earn their year pins & stripes or Star ranks.

Record book forms can be picked up at the 4-H office, located in the New County Office Building (COB), or online at [https://ceinyo-mono.ucanr.edu/4-H\\_Program/RecordBookForms/](https://ceinyo-mono.ucanr.edu/4-H_Program/RecordBookForms/)

If you use the online forms, be sure to look at the manual. If you pick up forms from the office, the manual is the colored pages mixed in the packet.

A Record book must contain the minimum of:  
 Section 1: is the Title Page and Table of Contents  
 Section 2: is the Personal Development Report  
 Section 3: is My 4-H Story  
 Section 4: Project Reports  
 Section 5: Collection of Work

Additional Sections are section 6 which is the Leadership Development Report for jr. & teen leaders, and Section 7: Resume for seniors.

Where to start...

Go through your calendar. Callie's best advice is to have a place that you write down everything 4-H that happens. If you didn't do that this year, get a calendar out. Figure out what club meetings you attended, and what activities you did at those meetings.

Look through your (or your parent's) phone for pictures of you at project meetings or events.

Check old emails for newsletters or announcements about events. Our Local newsletter, the Roadrunner, can be found here: <https://ucanr.edu/blogs/InyoMono4HBlog/>

If you weren't able to make it to Record Book Workshops held in April, then you can always check out the 4-H YouTube channel: [Inyo Mono 4-H](https://www.youtube.com/channel/UCInyoMono4H). There is 10 short workshop episodes that I created during Covid 19, but I made sure that they would apply for normal years too. Check them out and tell me what you think.

Still having trouble... Call the 4-H office. Melissa and I can help you through most questions, or you can come in for some 1 on 1 help.
