2 SATURDAY MORNINGS**

**5:30-8 PM (online)
8:00 AM – 12 NOON (in person)**

Professional instruction that will help you improve the health and beauty of landscapes, conserve water, reduce pesticide use and green waste, be more efficient with your time and your clients' money, and provide a tool to market yourself as a

Green Gardener!

**Graduates receive a signed Qualification Certificate and thumb drive of logos
2 DPR CEUs for Applicators and 4 ISA CEUs available**

What you need to know:

- All Tuesday classes online via Zoom. Saturday classes are at the San Joaquin County Agricultural Center at 2101 E. Earhart Ave., Stockton.
- **You must register online** and pay to receive the Zoom links by email.
- Once your registration is paid, you will have access to the website page with all course documents to print at home or read on your own screen.
- A computer screen is the best way to participate; if only a cell phone is available, you will need to print out the presentation materials to a readable size or request the binder at registration. You will also need to download the free Zoom app for phones for an acceptable participation experience.
- If you would like to receive a binder with printed training materials, you must indicate this in your registration and pick up the binder from the San Joaquin County Agricultural Center. Binders will not be mailed.
- Attendance at all classes and completion of quizzes with a passing grade are required for final qualification. Up to 2 classes may be made up by viewing the missed classes via recording; viewing will be verified, and recordings must be viewed before the course ends.
