or by scanning
the QR Code with your
phone's camera.

It has been many years since UC Cooperative Extension aka the Farm Advisors have done an educational and research interest survey and updated our client contact database. There have been a lot of changes in our staff and many new families, farmers, and ranchers have come into our counties. The time is right to update old information and let others, that are not familiar with our programs, join our clientele/supporter contact list.

If you don't want to do the survey online, you may contact either Michelle or Kaleigh at (707) 463-4495 and they will fill out the survey for you. It will take less than 10 minutes to complete depending on your interests.

Please share the link with others who would be interested in our programs! **Note: Personal information provided to us is confidential and will not be shared with anyone.** If at any time you no longer want to receive information from us, contact Michelle or Kaleigh on the phone number above to be removed.

Once the surveys have been completed, a random drawing will select three names to receive the gift cards. Winners will be contacted to receive their gift card. Survey ends at midnight June 25, 2024.

*UC Employees are welcome to sign up to receive information from us but they are not eligible to enter or win a gift card.

The University of California Agriculture & Natural Resources (UC ANR) is an equal opportunity provider.
