As the OC continues to become the urban center of California, agricultural education becomes more important. Therefore, we have come together to help expand the University of California Agriculture & Natural Resources' South Coast Research and Extension Center (SCREC), so that one day it will be the premier ag-urban center of Southern California - The place where farmers can meet to learn ways to be good neighbors and preserve their livelihoods; a place where children can learn about their ag heritage; a place where everyone can learn about nutrition; a place where hands-on education is paramount; and a place where vital research can be done.

Plans for the first building are being drafted and we need your help to build this dream. So help us celebrate this new partnership between the ORANGE COUNTY FARM BUREAU and SCREC by attending the Orange County Farm Bureau Steak Fry Fundraiser; a fun steak barbeque with all of the trimmings, a great raffle, and silent auction of wonderful donated items.

*Door-prize tickets will be available at the Steak Fry. No purchase necessary. Tickets may be requested by mailing a stamped, self-addressed envelope to OCFB, 13042 Old Myford Road, Irvine, CA 92620; one ticket per request and envelope. Winners must be present to claim prize.*
