970 Piner Rd. Santa Rosa  
www.sonomafb.org

*Special Event for 4-H Members*  
*Saturday, May 31st*  
*Location: 4-H Center-parking area*

***4-H Members: Help Law Enforcement Help You***

***As fair time is coming, preparation has begun.***

***Sonoma County Farm Bureau, 4-H Foundation of Sonoma County and the Sheriff's Office Rural Crime Task Force want to help with your preparation needs and protect your fair equipment.***

The Sheriff's Office implemented an Owner Applied Number (OAN) Program to help law enforcement identify stolen property; returning property to the rightful owners and assistance with stolen property investigations. This program has proven to be very successful.

Once an individual receives his or her OAN number, the Sheriff's Office Rural Crime Task Force can stamp (mark) the number onto various types of items: tackle boxes and equipment, saddles, trailers, tools, etc. On May 31st, the Sheriff's Office will be marking fair equipment and trailers. Registration for time slots will need to be made.

The process is easy:

- 1) To obtain an OAN number, call Pat Moffitt at the Sheriff's Office Rural Crime Task Force: 707-565-3940. When leaving a message, please include your name and phone number.
- 2) To obtain a marking time slot, please contact Anita at Farm Bureau: 707-544-5575 or info@sonomafb.org
- 3) Bring your fair equipment and/or trailer(s) at your appointed time to the 4-H Center-parking area on May 31st. Location: 6445 Commerce Blvd., Rohnert Park.

This event will be held from 8am to Noon and is a free service.

**\*\* As time slots are limited, please obtain your OAN number and marking time slot by May 15th.**

This is a special fair preparation service for 4-H Members, so please register now.

We look forward to assisting you.
