Introduction

I remember the first time I participated in a market project. I was very diligent about taking care of my animals and making sure that they were market ready. However, I always neglected the business aspect of my project. I wouldn't send buyers letters until the very last two weeks before auction. I would get so stressed from all the searching from contacts and not really knowing the process of writing a formal business letter. I did this for two years. I knew there had to be a better way. So for my Emerald Star project I not only found that 'better way', but I turned it into a helpful guide for wonderful exhibitors (like you!) to become marketing pros. If anything, this guide will give you tips on how to make a little (or a lot) more cash over the summer (yay!). Good luck on your search for buyers, hope to see you at fair!

Yours truly,
Savannah Schell

The First Step

Proper Letter Format

- 1" Margins
- Times New Roman
- 12 pt. font
- Should be no longer than 1 page, but at least over half a page.
- Use formal, academic language
- But be personal! Make yourself likable to the buyer
- Single spaced with a space in between paragraphs

Dear Mr./Ms./Mrs. Last Name:

Hello, my name is _____ and I have been a dedicated _____ 4-H member for _____. [Describe your affiliation with 4-H. Ex: projects, leadership roles, etc.]

I am the teen leader of the sheep project for Sonoma Valley 4-H and joining me this year in the Sonoma County Fair Junior Livestock Auction are five other members from my 4-H Club [Write about your project and your role in that project]. This is also my first year in FFA and I chose to raise a market goat for my Supervised Agriculture Experience Project (SAEP) for Sonoma FFA. [If you are in both 4-H and FFA, write a little bit about both and explain why you are raising a market animal] I would like to invite you to the Sonoma County Fair Junior Livestock Market Lamb Auction on Saturday July 26, 2014 at 9:00 am for lambs and 1:00 pm for the goat sale. This will take place in the Wilford Ring on the fairgrounds [notice the word invite; very formal, you should never ask them to buy your animal].

I will be auctioning one market lamb named Cous Cous and one market goat named Vincent Van Goat. [Make it personal; add little details like the name of your animal(s)] I have put a lot of time, effort, and hard work in making sure that my livestock projects fair ready. I have given them quality care and I am very excited to be representing both FFA and 4-H this fair season. They have been fed, walked, groomed, watered, sheltered and loved. My livestock animals have been raised on high quality show feed and lush green pastures. Raising an animal has taught me responsibility, time management, and the importance of agriculture. [Write about your projects, buyers want to know how much you've interacted with your animal(s) and how you spent your time. Reference: fed, walked, groomed, etc. Also share what you have learned from your experiences.]

Come and enjoy a day at the Fair, participate in carnival festivities, check out the livestock barns, and stop by the auction ring. [Extend the invite once more, but DO NOT ASK THEM SPECIFICALLY TO BUY YOUR ANIMAL. Instead tell them what the fair has to offer.] Your support would not only be appreciated by Sonoma Valley 4-H and FFA, but by all of the clubs and chapters attending this auction. [Let them know your appreciation]. Thank you for your consideration! If anything else, please enjoy the fairgrounds and get some free Clover Stornetta Ice Cream! [Have a little humor! Everyone enjoys a good laugh.]

If you have any more questions or need more information regarding the Fair, please feel free to contact me at email@example.com and [phone number] or if you are interested in purchasing any livestock animal you can contact my local solicitor _____ at [Their contact info]. Thank you; your time is much appreciated! [Thank them once more]

Sincerely,

[Leave space for signature; adds personal touch]

Dos and Don'ts

Do:

- Include information about yourself:
 - Age
 - 4-H club and responsibilities
 - Your market project
 - Anything that makes you stand out as an individual
- Fair & Auction information
 - Invite your potential buyers to the fair
 - Inform them of the dates of the auction and important fair events
- Make the buyer's process as easy as possible (especially if they are new buyers)
 - Understand how the buyer's card works and be able to explain it to a new buyer during a follow up call or visit (Reference P. For card information)
- Include local solicitor contact information
 - This is important because new buyers will contact your local solicitor to become registered in the Fair contacts and buyers' lists.
 - Also, this is how they receive a buyers card and number
- Add a picture of you and your project!

- Personal touches to your letter go a long way and many buyers appreciated seeing the member and project they may be supporting.
- Send more than one letter out
 - There is no guarantee that the first buyer you send it to will buy your market animal, so send it to multiple buyers
- Bonus: after the fair is over and you have note of who your buyer(s) is, send a tasty recipe in your thank you letter.

Don't:

- Ask the buyer to specifically buy your animal
 - This is not courteous and depending on the buyer it could backfire.
 - It is also not a good way to do business
- Ask for a price
 - By asking for a price you are assuming that the buyer is actually going to do business with you. Assuming is inconsiderate especially since this is the first time you are contacting them.
- Ask for donation or support
 - At this point you are just asking for money, which is unattractive to the prospective buyer.
- Include hardships

- Buyers don't respond well to the pity card, it makes them think you're trying to make them feel obligated.
- Also, family, financial, or educational hardships should stay between you and your family
- Disclose where the money will go
 - This goes with the point of assuming the person of business will buy your animal.
 - Buyers care more about your project than where you plan to invest your profits.
 - Although you can include where you plan to spend the money in the thank you letter(s) after the auction. However, this is only okay if you plan to invest your money in something meaningful such as the future/continuation of your project or college. Not that you plan to spend your money on a new iPod.
- Threaten them
 - Buyers respond negatively to this and most likely you will lose them as a connection
- Send the exact same letter to every buyer
 - "Dear Buyer" sounds effortless and impersonal. Correct form: "Dear Mr./Mrs./Ms. Last name"
 - A photocopied signature or no signature at all is also impersonal. Be sure to sign every letter you send
 - If you have a connection to the buyer, be sure to include it!

The following three letters are good examples of how you might consider formatting/wording your letter.

Dear Mr. Cool:

This is my seventh year in 4-H. I am a member of the Big Clovers 4-H Club. I am involved in the market hog project for five years. This will be my fourth auction and I am looking forward to it. I am a junior at Trinity High School and I am studying to be a veterinarian.

I would like to invite you to the Trinity County Fair Junior Livestock Market Hog Auction on Saturday July 26, 2014. This will take place in the Johnson Ring on the fairgrounds

I have spent a lot of hours on feeding, watering, walking, and grooming Butch, my Hampshire market hog, for show and sale at the Trinity County Fair. I hope you will be able to attend one or more of this year's sale to support 4-H project animals.

Come enjoy a day at the Fair, see all the 4-H animals and spend some time in the auction barn. Your support will make a difference not just to my project, but also to everyone who participates in the auction this year.

If you need a buyer's packet, please contact the Trinity County Fair Livestock Auction Committee at 555-1111.

Sincerely,

Diana Jones

Dear Mr. Stonewell:

My name is Cory Hack and this is my second year in 4-H. I am taking a market lamb project to the fair. My lamb is a wether and his name is Duke. I have spent a lot of time with Duke this summer. I have walked him, fed him, and even given him a bath. Through my 4-H club I have learned how to groom Duke and properly train him to be Fair ready.

I will be showing and selling Duke at the 2013 Sonoma County Fair. Duke is a Hampshire lamb weighing at 150 pounds. I would like to invite you to the Sonoma County Fair Market Lamb Sale on Wednesday, August 27, at the Lamb Showmanship Arena.

I hope you will be able to come to the Fair to see all the 4-H lambs at the auction. There will also be auctions held for hogs, goats, steers, poultry, and rabbits over the course of the week.

My 4-H club adviser told me you can request a Buyer's Packet by calling the Livestock Sale Committee at 555-1111. I hope you have a chance to come to the Fair and see all the incredible livestock exhibits.

Sincerely,

Cory Hack

Dear Captain Kirk:

Hello, my name is Samantha Thomas. I go to Adele Harrison Middle School, and I am 13 years old. Some of my extracurricular activities include being a C.I.T. (Counselor In Training) at the YMCA. I will be showing a market lamb as an independent junior, I am very excited to get this chance to show an animal for the first time.

I will be auctioning my lamb, and would like to invite you to the Sonoma County Fair Market Lamb Sale on Friday, August 2nd, 2013 at 9:00 am. The auction will be taking place at the Wilford Ring. With the money I earn I plan to save up for college.

I have put a lot of time, effort, and hard work in to my lamb, Sizzle, making sure he is fair ready. Sizzle is a crossbreed of Babydoll Southdown and Shropshire. My breeder is a relative of mine who has been in 4-H for over five years now. I am proud and excited to show Sizzle at this coming fair! He has been fed, walked, groomed, watered, and sheltered.

Please come and spend a little time at the fair. Whether it be fair rides, festivities, or free Clover Stornetta ice cream, don't forget to stop by the auction ring. Your support will not only be appreciated by myself, but by all those who wish to sell a lamb. Thank you for your consideration and time.

If you have any more questions or need more information regarding the fair, please feel free to contact me at sam@gmail.com or if you are interested in purchasing a lamb you can contact my local solicitor at (707) 933-6755. Thanks!

Sincerely,

Samantha Thomas

Dear Ms. Jane Doe:

This is my last year showing at the Sonoma County Fair. I have been taking 4-H and FFA projects for 14 years. The money I have gotten for my livestock projects I have used to buy a truck and put gas in the gas tank.

This year I will be showing a market lamb and a market steer. I really need to make a lot of money on these projects, since it is my last year. I need for you to come to the Market Lamb Auction on August 26 and the Market Steer Auction on same day.

If you can't come to the sale, you could send a bid to one of my parents. One of them would bid for you- I was thinking maybe \$20/lb for the market lamb and \$10/lb for my market steer. My market lamb weighs 180 lbs. and my market steer weighs 1250 pounds. I thought you would want these weights so you could figure out the amount of money you would be spending on my animals.

Thanks for helping to make my last year at the Sonoma County Fair a profitable and memorable one. I will be looking for you at the sales.

Sincerely,

John Doe

Dear Mr. York,

My name is Bob. I live on a farm in Lewiston with my parents and sister. I am going to be showing my market pig. My sister is showing a market lamb.

We will be showing are animals at the Sonoma county fair augest 2nd. come and buy our project animals. We need them to sell for a good price, so that we may pay for the feed and still have money for us to spend.

If you can't come to the Auction, that's okay you can send us \$50 or more. We can use this money towards purchasing our animals for the fair.

Thanks for helping me, and my sister. Sincerely,
Bob Running

Dear Mrs. Shire,

I know that you have been buying livestock at the Trinity County Fair for a long time. I would like you to buy my prize market steer "Tri Tip" at this year's Sonoma County Fair Market Steer Auction, Saturday August 26 in the Showmanship arena, Sonoma County Fairgrounds.

You can buy my steer by yourself or you may ask friends and other businesses to join you to buy my steer. You can learn how to buy my steer with other people by requesting a Buyer's Packet by calling the Sale Committee at 241-1177.

If you can't come to the Steer Sale you can send me a donation towards my steer project. I can add your donation to my steer's price. Just send your check to Joey Hamp Jr., 444 Rural Road Weaverville, 96093.

Thanks for helping me out with my steer project.

Sincerely,

Joey Hamp Jr.

Where to go From Here

Forming Business Connections

1. Write an excellent buyer's letter. Be sure to make it interesting and detailed. The letter should be courteous and open to the idea of further discussion. (Reference: The First Step pg. 2).
2. Make follow up calls approximately a week and a half after buyers letters are sent (note: letters should be sent at least a month before fair. Reference: Timeline pg.). Set up a time to meet your prospective buyer in person or if their schedule is too hectic have a discussion over phone.
3. Last step would be to meet your interested buyer in person. Go in uniform to stand out. Have an informative conversation with them. If you are too nervous to speak with them one on one, bring a friend or another member.

Tips:

- Keep track of your contacts for future business prospects.
- You can also streamline the process by delivering your letters in person, however it is recommended that you call to make sure of office hours and when that prospective buyer is available.
- Send letters to businesses, family members, friends, teachers, and previous auction buyers.

Develop a Good Reputation

Once you have diligently worked on your letters it's important to put yourself out there! When it comes to marketing your project think of the little details that will make all the difference to the prospective buyer. For instance:

- Visit them in uniform. Not only does it make you look sharp and stand out as an individual, it sets a good reputation for the club that you are representing. It's an added bonus if several of members from the same club or chapter do this.
- Be very informative and helpful. Looking poised and knowledgeable aids your reputation greatly.
- Send out as many letters as possible. The more you get your name out there, the more familiar in the community you become and the more likely you are to attract a great price for your project

Timeline

***May 1st:** Start gathering contacts of buyers. If you are showing 2 animals for market you should have a minimum of six prospective buyers. Then start drafting your buyers' letters.

May 20th: Have your letters proofread by parents, teachers, project leaders, etc. Once proof read, make any necessary corrections for a generic final draft.

June 1st: Send all letters.

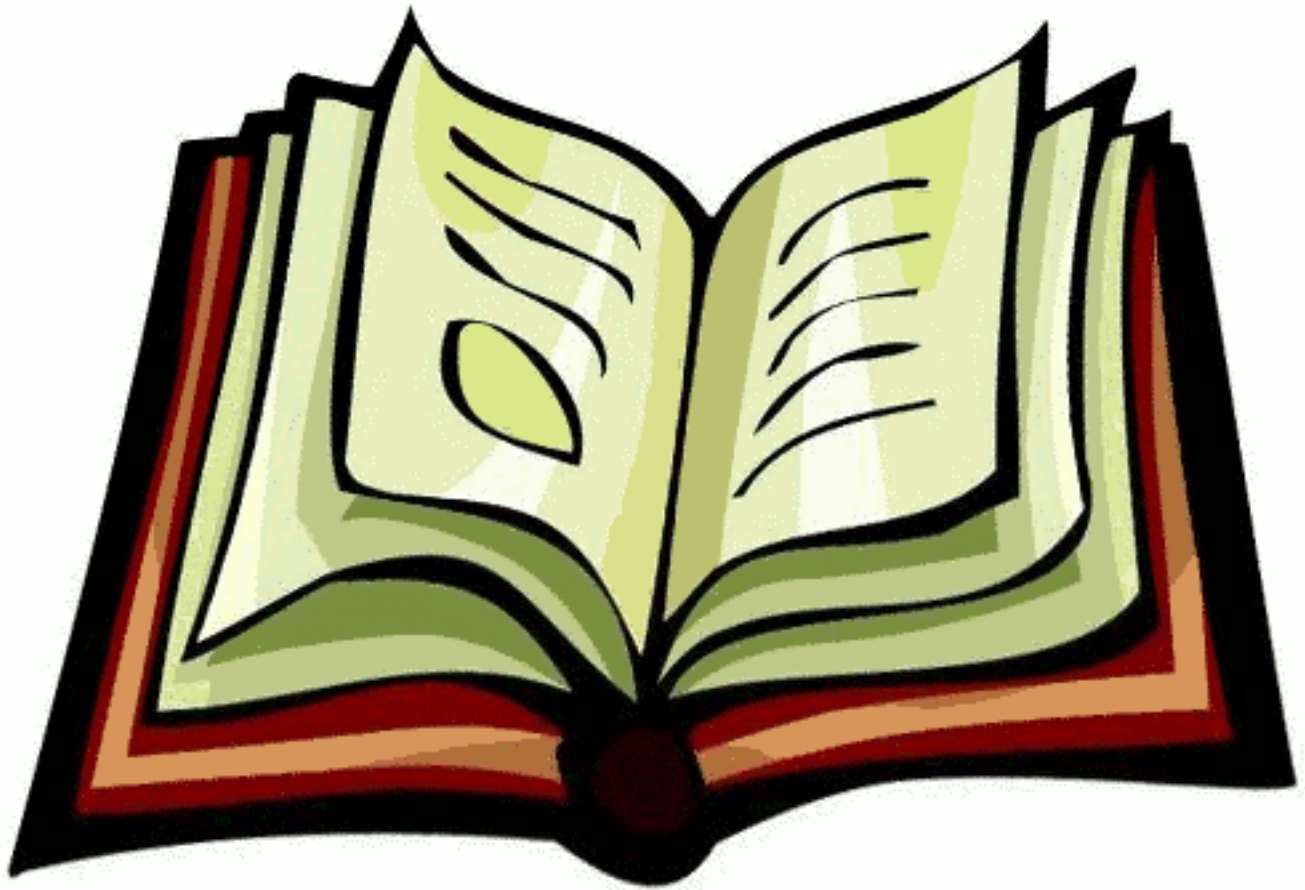

June 14th: Make follow up calls. Either set up a discussion date in person or do all business over phone.

**** July to auction day:** Visit your top prospective buyers. Be sure to be in uniform!

***Note:** This is just a rough outline of approximately when you should be proactive in finding a buyer. Not everyone can follow this schedule exactly due to outside circumstances. This is a reference to help you stay on track.

**** You are responsible for how you conduct business with these prospective buyers. If you do not send buyers letters there is no complaining about fair price!**

HOW THE AUCTION WORKS...

When you arrive at the Auction –

1. Check in at the registration table and pick up your buyer's card. (You will need to have this in order to bid on an animal.) All new buyers need to provide a credit card number to secure any purchases made at the auction.
2. Pick up a sale book which lists all the animals in order of sale, their weights and owners.
3. As each animal enters the ring, the Auctioneer will ask for bids in cents per pound. If you wish to bid on an animal, just raise your hand. Whether you buy or not, your bidding will help the sale. If you need help in bidding, ask one of the ring men to assist you.
4. The bidding will continue until a high bid is reached. If you are the highest bidder, the auctioneer will ask you to hold up your buyer card so he can read the number.

All animals sold through the Auction must be processed (no live pick-ups). Fair arrangements with packer, no other arrangements are allowed.

Steers: Can have up to 8 buyers per animal with following limits:

WHOLE PURCHASE - custom or resale

½ PURCHASE - custom or resale – each half must be the same disposition, same locker

¼ PURCHASE - custom or resale – must be same disposition same locker

1/6 to 1/8 PURCHASE - resale only

Hogs: Can have up to 4 buyers per animal:

WHOLE PURCHASE - custom or resale

½ PURCHASE - custom or resale - each half must be the same disposition, same locker

¼ PURCHASE – resale only

Lambs/Goats: Can have up to 2 buyers per animal:

WHOLE PURCHASE - custom or resale.

½ PURCHASE – resale only

Rabbits/Poultry: Can have only 1 buyer and must be custom.

Add-on Money: “Add-on money” is money added on top of the sale price, not built into the price. Add-ons are limited to a minimum of \$50 and a maximum of \$250. **ONLY two** add-ons are permitted per lamb/goat or hog and are limited to those exhibitors who are showing a breeding project of the same species (i.e. breeding sheep, open boer goat or breeding swine) at the current Sonoma County Fair. Add-ons for steers are limited to **four** per steer with no other restrictions.

Add-ons must be paid at the auction by check, credit card or money order. (no cash) No invoice will be generated for add-on purchases.

AFTER BUYING FOR YOUR CONVENIENCE:

If you are the high bidder, a runner will present you with a sale invoice for your signature. At that time you must indicate the disposition of the animal as follows:

1. Resale - at market price and be billed for the difference.
2. Custom Process and Return - you must indicate on the green purchase agreement card the name of the locker where you wish your meat delivered. (Sonoma County only, restrictions apply, list is located in the back of this booklet.) You must call the locker for cut & wrap instructions and you will pay the locker directly for cut & wrap charges. The Fair is not involved in the arrangements made between the locker and the buyer.

PAYING FOR YOUR PURCHASE:

Note: All new buyers are required to provide a credit card number on the purchase agreement to secure the sale. If you do not pay at the close of the auction, your credit card will be processed unless buyer asks to be billed and pay with a check. (Please indicate your preference when filling out the card.)

The Sonoma County Fair Junior Livestock Auction will act as cashier for the sale. **You may pay by cash, check, Visa, MasterCard or Discover on the day of the auction.**

If you choose to purchase a (Custom) Process and Return animal, **a process charge will be added to your sale invoice.**

If you do not pay on the day of the auction, you will receive a bill in the mail following the sale. Cut and wrap charges are additional and are billed separately by the butcher.

Your checks should be made payable to:

Sonoma County Fair Junior Livestock Auction

TO ATTEND THE AUCTION:

In the event you are unable to attend the Auction, members of the Solicitor Committee are listed in this brochure. Contact one of them or the Entry Office and we will have a solicitor contact you to make the necessary arrangements.

WHEN YOU BUY HOW TO USE YOUR PURCHASE

Here are a few ideas from regular auction patrons on making use of the animal you purchase.

- ◆ INDIVIDUALS: Provide quality meat throughout the year
- ◆ SERVICE CLUBS, LODGES, UNIONS: Host a club BBQ or Donate meat to your favorite organization or charity
- ◆ RESTAURANTS AND MARKETS: Serve local high quality meat

TWO WAYS YOU CAN SUPPORT OUR YOUTH!

1. Resale Purchase

Purchase an animal and choose to sell it back to the Sonoma County Fair for the current market price. You will be billed for the amount over market price. (Some examples listed below.)

Steer:	1,150 lbs. - bid \$3.75/lb*		
	(resale price: \$1.05/lb*)		
	Bill - 1,150 lbs. x \$2.70	=	\$3,105.00
Hog:	250 lbs. - bid \$6.00/lb*		
	(resale price: \$1.00/lb*)		
	Bill - 250 lbs. x \$5.30	=	\$1,325.00
Lamb:	135 lbs. - bid \$8.00/lb*		
	(resale price: \$1.00/lb*)		
	Bill - 135 lbs. x \$7.00	=	\$ 945.00
Goat:	90 lbs. - bid \$10.00/lb*		
	(resale price: \$1.40/lb*)		
	Bill - 90 lbs. x \$8.60	=	\$ 774.00

2. Custom Purchase

Fill your freezer with high quality meat! Pay for your purchase and processing costs and invite your friends over for dinner! (Offal is not included)

Amount paid over market price may be an IRS approved deduction (check with your accountant)

Example: 250 lb Hog – bid \$6.00*/lb;
market price: \$.70*/lb
Donation: 250 lbs. x \$5.30 = \$1,325.00

* These are sample prices

Sonoma County Fair Non-Profit #94-6003236

REMINDER

- Contact your local locker/butcher shop right after the sale regarding cut and wrap instructions for the animal you purchase. If you do not call within 48 hours of the auction, the butchers will cut the meat packaged for 2 in order to have room in their lockers.
- Buyers may be assessed an additional charge if their meat is not picked up within 10 working days. Butcher shops may dispose of any meat (donate or resell) within 30 days of the completion of cut & wrap. Buyer is still responsible for the purchase of the animal, as well as the cut & wrap charges.

Note: Some custom butcher shops do not accept credit cards.
Please be prepared to pay for cut/wrap with cash or check.

SALES FUND...

All exhibitors contribute six percent of the sale price of each animal to a Sales Fund.

This fund pays for:

- ✓ Advertising
- ✓ Sales Brochure
- ✓ Finance Auction
- ✓ Uncollected debts

WHAT IS IT?

The Sonoma County Fair Junior Livestock auction is the climax of a year's work and activities for the Special Junior, 4-H, FFA and Independent Junior exhibitors.

As a learning and business venture, these young men and women have selected, fed and groomed a steer, lamb, goat, hog, pen of rabbits, or poultry. They have brought their project to the Fair to be judged, graded, and sold.

Only top quality grain fed steers, lambs, goats, hogs rabbits and chickens will be sold. The judges at the Sonoma County Fair will select only the top quality animals to sell at the Junior Livestock Auction. Such quality demands a premium price.

The Sonoma County Fair Junior Livestock Auction is their market place... and you...their prospective buyer.

WHY SUPPORT THE SALE?

Your purchase will help support an educational program. These youth are learning to produce food for your table. They are also learning how to be in business for themselves. At their age, their business is on a small scale and their costs are higher than the commercial producer. Help them achieve success and insure continued food production by supporting them now. The price you pay today encourages youth participation and is a small investment in the future of America. Profits from the sale of these animals are usually reinvested in better animals or set aside for future educational expenses.

WON'T YOU HELP?

Remember: you will encourage free enterprise, receive high quality meat and poultry and good, inexpensive advertising, plus the personal satisfaction of investing in our local youth.
