

AGRICULTURAL ORDER PUBLIC SCOPING MEETINGS

PURPOSE OF MEETINGS: The current Agricultural Order will expire on March 8, 2020. Ahead of this deadline, Water Board staff must develop a new Agricultural Order. These public scoping meetings will be listening sessions where attendees will have the opportunity to share with Water Board staff their perspective and experiences regarding the pros, cons, and ideas for potential improvement of the Ag Order. Discussion topics will include the structure of the Ag Order, such as tiering and enrollment, as well as monitoring and reporting requirements.
