

Water tight pond seminar

Do you have a pond that leaks?

Would you like it not to leak?

Thinking of building a pond?

Want to make sure it holds water?

Want to find out how you can get help to pay for your pond?

Redwood Valley County Water District

Invites you to hear Ken Seckora explain all about why ponds leak and the latest techniques to stop them from leaking or keep them from leaking.

And

Carol Mandel will show you how AWEP can help you pay for improving your pond.

Parducci Wine Cellars

Tuesday August 31 from 1:00 – 3:00 pm

Followed by a guided tour of Parducci's constructed wetland led by Tim Thornhill.

Refreshments will be provided

Directions: From 101, take the Lake Mendocino Drive exit. Turn west and immediately north. When the street ends in a T, turn left. Someone will show you where to park.
