Chico reported on the Leader Volunteer Field Day Mtg. The event will be held on Oct. 24th. Committee felt that our club structures are gone. Units are not being run properly (leadership and citizenship). Focus on older 4-Hers to be groomed to be leaders. Are we giving them things they need to build and excel in education. Let's focus on their growth. Also, that we need to get 4-H back to it's true meaning. Do things for the kids other than the fair. We need speakers for "Life after High School". Maybe Debra Owen?
