

Master Foodpreservers

Farm Day ~ 2006

Farm Day ~ 2006

Farm Day is an annual event presented by the El Dorado County Farm Bureau to heighten our county youth's interest in agriculture. It is held for school-aged children, specifically third graders, and is arranged through their schools. The Master Food Preserver volunteers provided pages to color, an apple quiz, and demonstrations on apple peeling. Nearly 800 third-graders participated in the program.

Once again, the apples were donated by Boa Vista

Farm Day MFP Volunteers:

Back row: Pati Kenney, Jean Hunter, Kathy Pearson, and Frances Westwood

Seated: Linda Chernoff and Claudia Littlejohn
